VOLUME EIGHTEEN  
THOMAS A. DEVILBISS HIGH SCHOOL  
TOLEDO, OHIO

*You Will Remember DeVilbiss . . .*

Memories will always live and in the years to come they will serve as one of the connecting links with your youth. You will remember the day you enrolled in DeVilbiss High School as excited, bewildered Freshmen awed by the vastness and complexity of your new school experience. How very fortunate you were that in finding and taking your place you were aided by a friendly co-operative staff and student body.

You who were yesterday's Freshmen have opened the door of DeVilbiss, you have passed through the corridors of your high school life, and now you stand before the steps of living in the second half of the twentieth century.

As the younger generation you will be confronted with many problems which you will be called upon to work on. It is then that you can turn back to your days of preparation—the yesterdays when each assignment, each friendship, and each service was a constructive step in your daily living.

It is hoped that today and tomorrow, you will find in this book of remembrance all the many pleasant memories of your life at DeVilbiss.

And it is toward this end that your yearbook staff presents this edition of the Pot o' Gold.

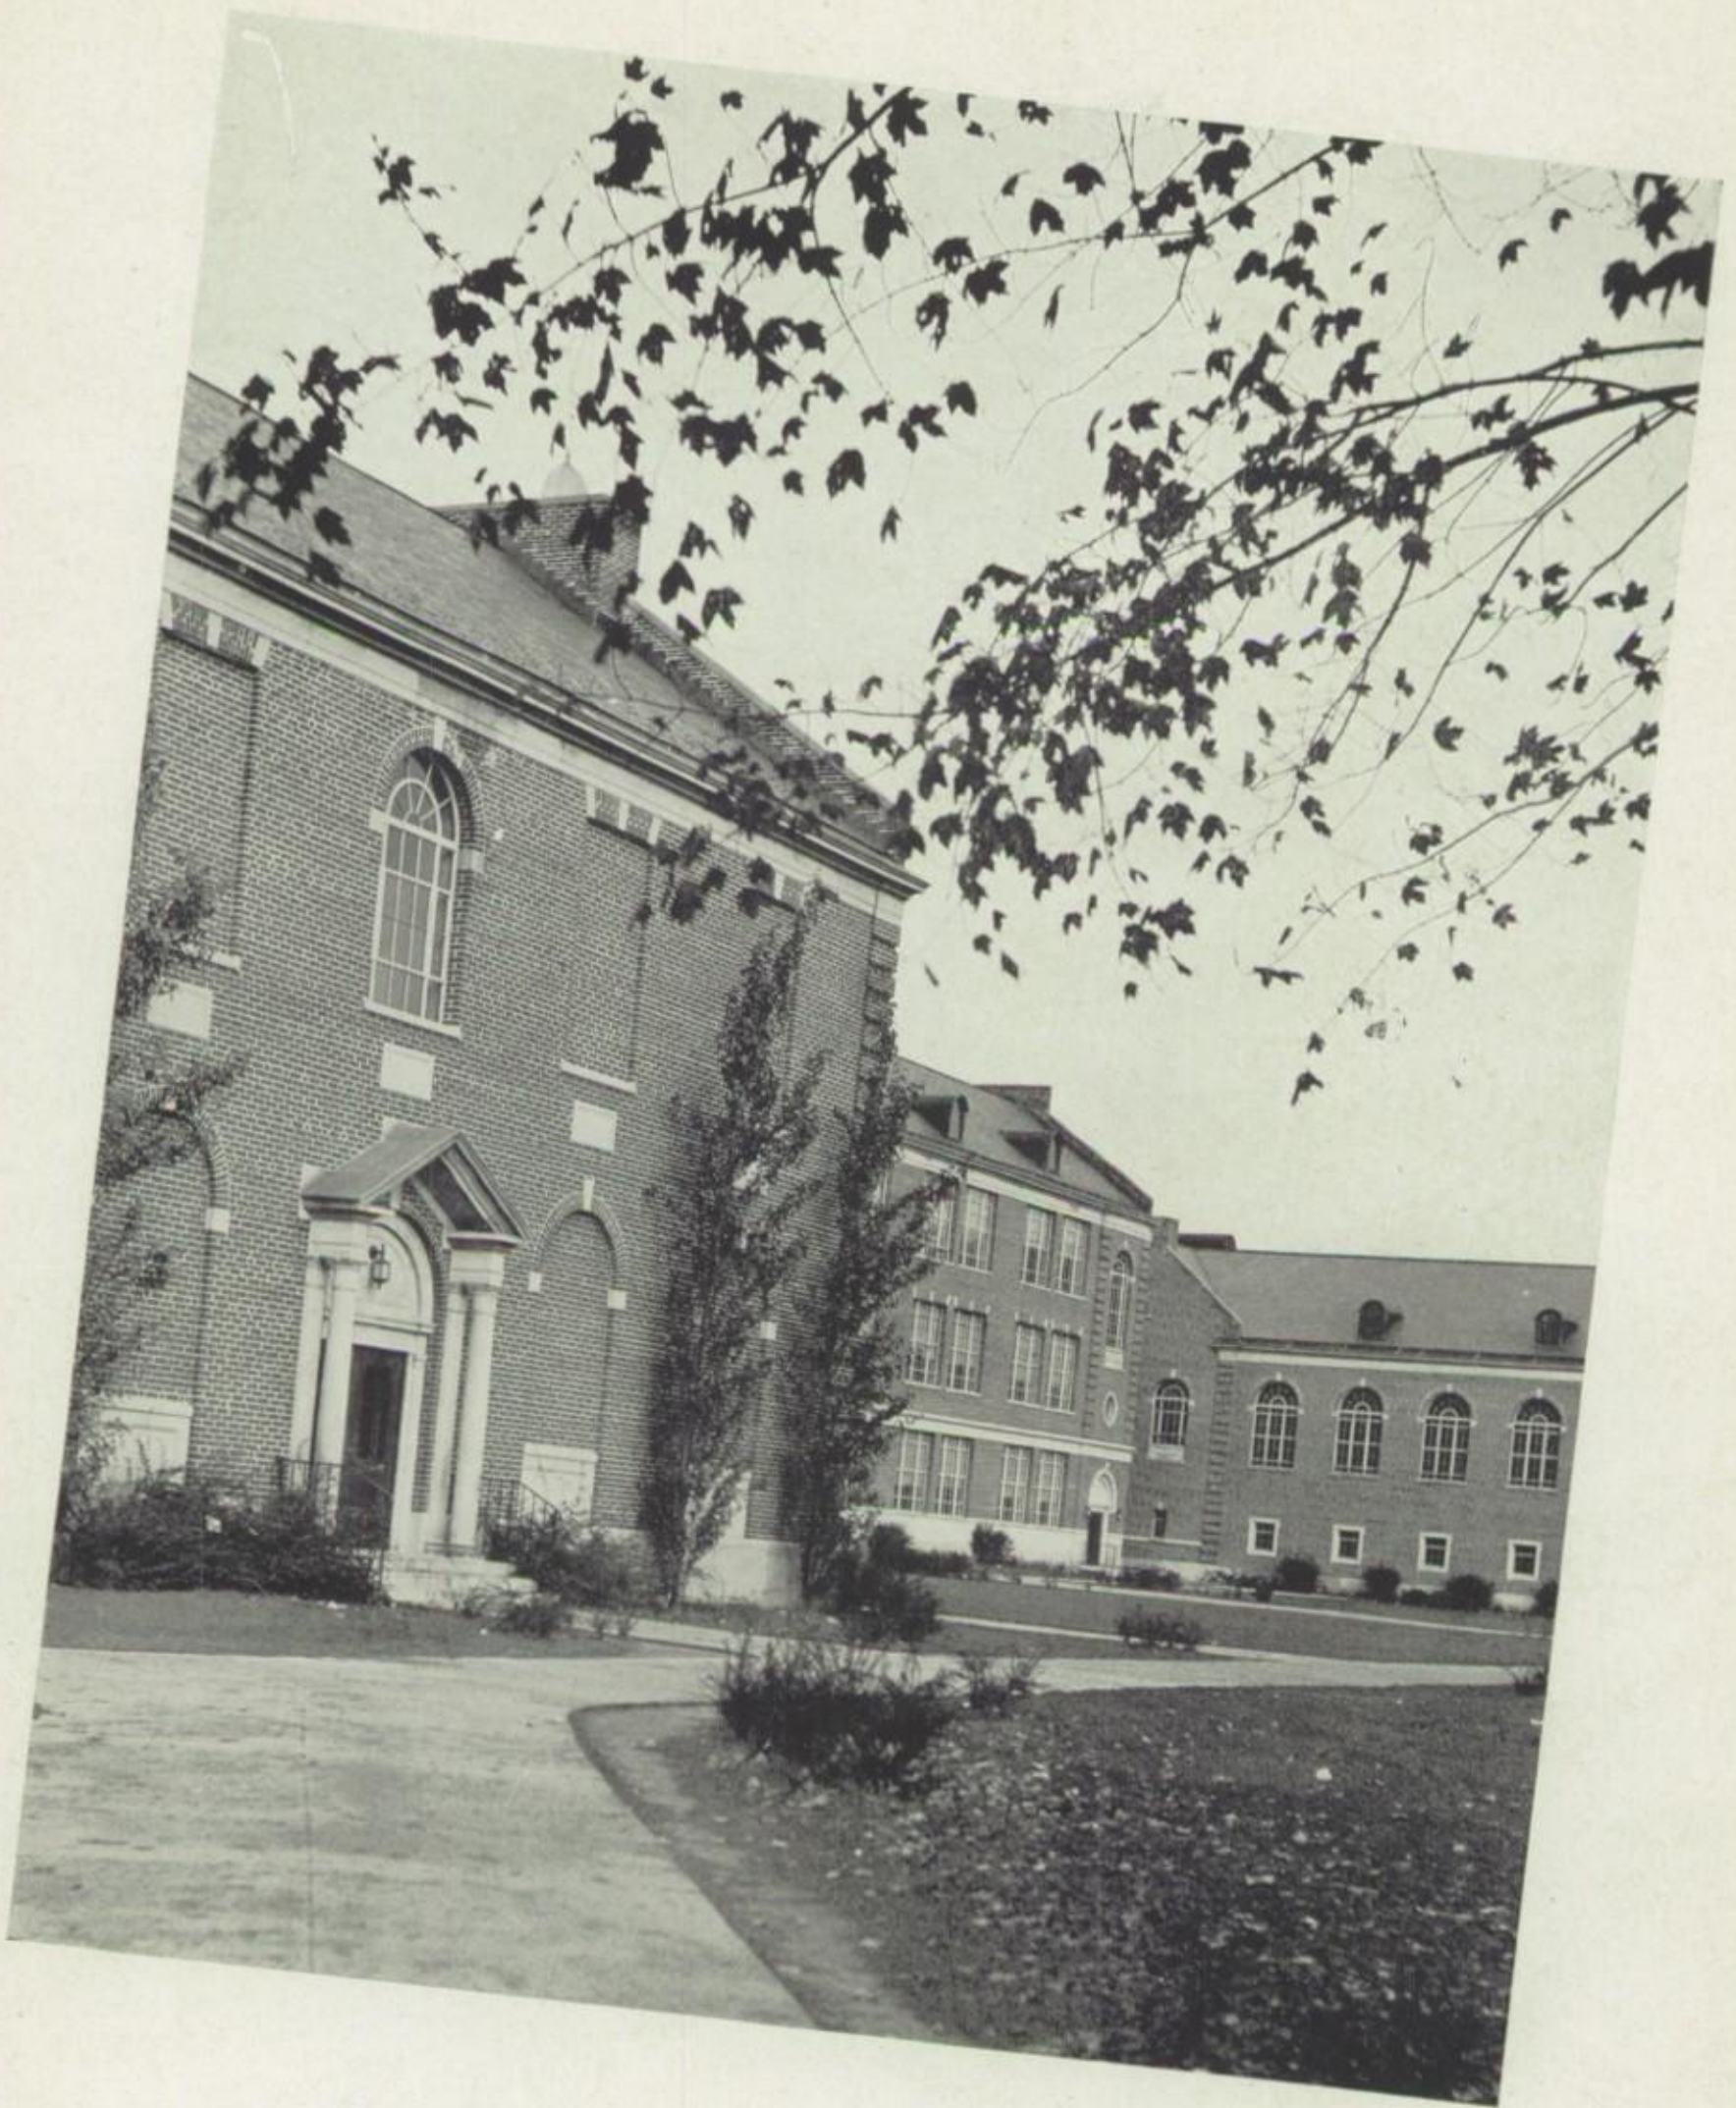

As we see DeVilbiss with its grounds covered by snow and the bare branches of the trees making patterns against the cold winter sky, we again experience that feeling of serene quietude which follows a snowfall. The quiet simplicity of this scene fills us with an inner calmness and peace to be taken with us into our after-school memories.

In later years as we pause to reflect upon our days at DeVilbiss they will perhaps seem to us to be a quiet corner in our life . . . the scene of many pleasant experiences. We shall then remember DeVilbiss as we see it here, with the leaves and branches of the trees blown by a gentle autumn breeze.

### MR. MERRITT C. NAUTS

As we look back over our high school days of this year and every year, we shall always remember our days in the classrooms of DeVilbiss—our contacts with the fine members of the faculty and staff. We shall remember the sincere and enthusiastic leadership of our principal for the DeVilbiss of today has achieved its enviable reputation largely through his personal efforts and educational foresight. Conscientiously aware of the worth of the educational experience, Mr. Nauts always urged his students to take advantage of the many educational opportunities offered to them.

Through his devoted interest in the welfare of DeVilbiss, Mr. Nauts has enriched and broadened the curriculum; he has seen the value of utilizing the community resources; he has secured for the students opportunities for work and academic advancement. Standing behind the classroom, the club, the cheering section—all activities and every phase of a living school spirit, is Merritt C. Nauts, the loyal friend of DeVilbiss and its people.

### MR. RUSSELL BROWN

The boys of DeVilbiss will ever remember Mr. Brown's warm friendship, his personal interest in everything done for our school, and his belief in the goodness of youth. Through his varied contacts with the students—as dean, as adviser to the Senior Class, and as adviser to the Sharps and Flats Club—he has contributed to their understanding of life.

### MISS MILDRED PASCH

As Girls' Dean and Adviser, Miss Pasch helps the students to solve the problems that may be preventing their receiving the most benefit from their high school education. She works in many areas trying to bring co-operation between the student and the parent, the student and the teacher, or the student and the community. Miss Pasch believing that extracurricular activities are important in the development of social competence and responsibility acts as adviser to the DeVilbiss chapter of the Future Teachers of America.

## We Begin Our High School Days

Let's go for a walk down memory lane and recall the first experiences of our high school life. September 7, 1949, was that very first day. How well every one can remember feeling like the little fish in the big, big ocean. How small we felt, yet so very proud to at last be a part of DeVilbiss High School. The thrill that we experienced as we went into the halls, the auditorium, the class room, and the stadium for our first DeVilbiss football game is still with us.

In October we were introduced to our first Fifty-Treaters' Party. How much we enjoyed the playing of the games, the dancing, the refreshments. Under the capable supervision of Miss Ursula Schmit, Mrs. Betty Raby, and Mr. Fred Breed monthly Freshman parties were held and each was agreed to be a huge success by everyone attending.

In November after we had received our grade cards we were ready to elect our class officers. Speeches, songs, parades, and banners bearing such slogans as

"Save With Sam the Safe Guarding Soul" announced the approach of the Freshman class elections. It was a spirited campaign, with the final victors Bill Huffer, President; Angie Miehl, Vice-President; Pat Tanber, Secretary; and Sam Solomon, Treasurer.

Exams were inevitable and came all too soon. We found, however, that they weren't really so bad as we had thought they would be and that they were worth taking for that two-day vacation at the end of the semester.

On through the year we plodded, slowly absorbing the ways of the school, and it absorbing us. Some of us have started on our way up in our studies, some in clubs, and some in athletics. Our memories are rather few at present, but no one can deny that we have made a good start. We have survived the first year, and have found it not too bad. Now we are looking forward to next year when we will add more pages of memories to the scrap-book we are keeping as we journey down memory lane.

**Miss Schmit, Mrs. Raby and Mr. Breed advise the Class of '53.**

Where would a class be without advisers to counsel it in its activities and parties? Under the supervision of Miss Ursula Schmit, Mrs. Betty Raby and Mr. Fred Breed the Fifty-Treaters have had a most enjoyable year. Miss Schmit, with her experience of three years of class advisorship to the Forty-Niners, has in her understanding and co-operative way contributed much to the success of the Freshman Class; Mrs. Betty Raby, one of the younger members of the DeVilbiss staff, has become as popular with the Fifty-Treaters as she has been with her G. A. S. girls; and Mr. Breed has guided this class with the same thoroughness and conscientiousness he has used in his coaching and gym activities. Although class advisers do not receive their share of the laurels, it is only through their congenial help and direction that a class becomes a constructive force in the school.

## We Become a Part of DeVilbiss

With half of our high school days in the past, the Fifty-Tooters can now pause a moment to recall the wonderful times we have had. The past has proved successful for us students because we have put forth our best effort to make it so.

Looking back we remember our class officers. We remember that as Sophomores we participated in many different activities and obtained our foothold in DeVilbiss. We remember when we just had to make that February 15th deadline for the Pot-O'-Gold. We remember the time when the Prism almost didn't come out on Tuesday. We remember how we served so faithfully on the Student Council Commissions hoping that one day we might become a commissioner. We remember the fun we had as Inter-Club Council Representative in planning the various social affairs and that as members of the

Sophomore Y-Teens or the Sophomore Hi-Y we were active. We remember that some of our classmates participated in clubs related to their vocations—the Future Teachers and the Future Nurses. We remember that our musically inclined or gifted friends were members of the Band and of the A Capella Choir. We remember the most talented ones always took part in the DeViltries. We remember those wonderful advisers—Miss Lukens and Mr. Hardy who with their humor and their good guidance made this year a happy one in our remembrance.

The memories that we enthusiastic Fifty-Tooters are taking with us as we leave school in June are ones of a happy and successful year. The outstanding qualities which have made this class what it is, will not be just memories but will be ever present as we continue the rest of our high school days.

## Miss Lukens and Mr. Hardy advise the Class of '52.

Under the direction of their advisers, Miss Ruth Lukens and Mr. Dave Hardy, the Sophomore Class has built a good foundation in preparation for the numerous duties which lie ahead of it. Co-operative and capable Miss Lukens and Mr. Hardy have worked hard this year to ensure a good beginning for the class of '52 and they can well be proud of their efforts for under their guidance the class has completed a year they will always remember. However, by no means do the advisers limit their abilities to one field. Miss Lukens, an enthusiastic photography fan, can usually be found clicking a camera, and Mr. Hardy, a member of the DeVilbiss coaching staff, can always be seen at the athletic events. With such leaders how could any class reap less than success!

## We Experience the Fun of Being Upperclassmen

Led by the most capable of officers and guided by tireless advisers, the Fifty-Oneders added to their bulging memory book the events of their junior year at DeVilbiss. Today they see only the material memories—a dance program, a yearbook, and perhaps a grade card. Tomorrow even the simplest school affair will have a new importance for time alone makes everyday things precious.

And so the Juniors stepped forth to give themselves a name they could be proud of. Numerous committees and organizations welcomed them into their activities; the DeViltries claimed its share of talented juniors as did many of the school commissions. The newly established Junior Service Committee has worked for the school and for the Senior Class. The attitude and conscientiousness of those who served will be the basis of their selection for bigger things yet to come.

Cupids, hearts, and arrows got together for the traditional J-Hop, February 10, at the Toledo Woman's Building. This dance, the outstanding social event of the class, did more than its share towards adding many wonderful memories.

Those who were in any way connected with the Junior Play, presented in May, will have much to remember. The play was considered another success.

The reliable hands of Juniors were responsible for the decorations and arrangements for the Senior Banquet as well as for the Junior-Senior Farewell Dance on the night of graduation.

Much success could easily be predicted for these active and ambitious Juniors—they are really "Fifty-Wonders."

Mr. Murphy and Miss Smith advise the Class of '51.

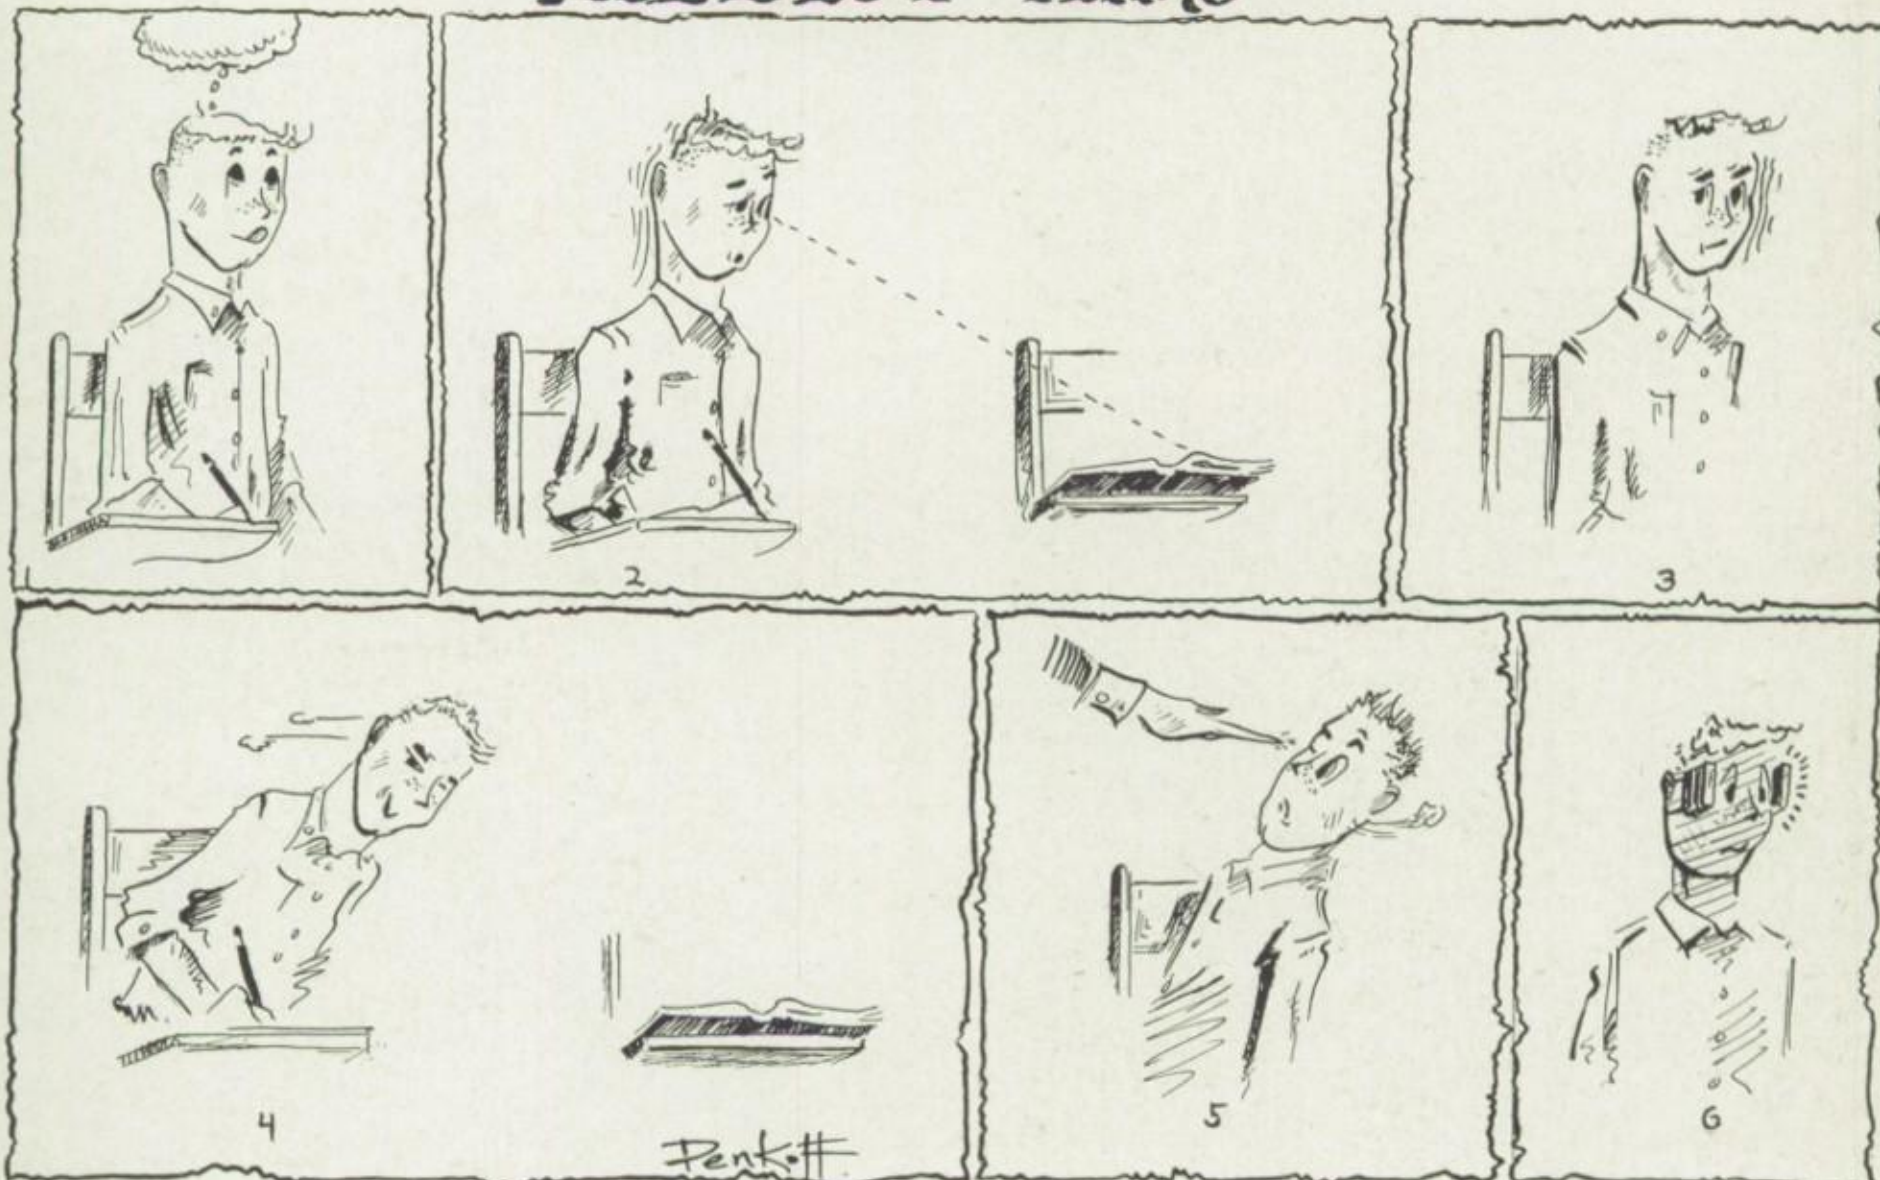

As advisers to the Junior Class, Miss Ruth Smith and Mr. Hilton Murphy always have a ready answer to the confused or worried committeeman or class officer.

Miss Smith, long active in school affairs, serves as Faculty Chairman and as an adviser to the Pot O'Gold. Helpful and willing she aids the class officers in selecting their co-chairmen of the various committees and she attends all committee meetings.

Mr. Murphy, the friendly new personality on the DeVilbiss faculty, has already become a loyal supporter of the school. Although particularly concerned with the Junior Finance and Publicity Committees he is an ardent follower of every class activity.

The class of '51 has experienced a highly successful year under the friendly guidance and co-operation of Miss Smith and Mr. Murphy.

## JUNIOR COMMITTEES

The J-Hop, the much publicized and justly successful affair, was indeed a wonderful Valentine memory to every one of us. . . . The talent displayed in "Our Hearts Were Young and Gay" made the class play a high spot on our Junior Calendar. . . . Those who worked on the Senior Banquet will always remember the fun of planning and decorating for the final toast to the graduating class. . . . The Finance Committee spent many hours supervising the sale of bids and tickets and counting the continuous flow of dollars into the Junior Class treasury. . . . The

Junior Boys' Mothers' Party was another outstanding event, one which is most certain to continue in true DeVilbiss tradition. . . . The Publicity Committee with its clever ideas for putting over every activity faithfully served its class mates. . . . The Junior-Senior Farewell, presented as the very last school affair, will truly stand out as the most wonderful dance ever. . . . The new Service Committee, which did so much willingly for every DeVilbiss need, is indeed an asset to the school.

## We Are Active in All Phases of School Life

It would be difficult to recount in three-hundred words all the wonderful events of this past year. Things like the Senior Prom with all its glitter and glamour are hard to put down on paper. But perhaps by briefly sketching the high lights we can help you to recall the significance of each occasion.

The year began with the Varsity Drag, an annual fall dance which was made outstanding by the class of '50. This was not our only success, however, for in December the Nifty Fifties turned Santa Claus and presented DeVilbiss with a pleasant comedy, "The Divine Flora." Next on the calendar was the Senior Mid-Winter, a dance opportunely planned to take our minds off the exams. Following this was an event which could have been labeled "For Males Only" since it was held exclusively for the boys and their dads—the Fathers' and Sons' Banquet. The girls, not wanting to be outdone, treated their fathers to an evening of entertainment. The Dads' and Daughters' Date was given for the first time this year and was such a success we hope it will be continued. In the spring the girls honored their mothers with a tea. This is always a pleasant affair because there is so much

enthusiasm concerning it. The tea was closely followed by the Prom, a traditional dance which seems to hold a special magic for all seniors.

Another tradition of DeVilbiss was presented in a novel way this year. The Senior Banquet was separated from the Junior-Senior Farewell dance, which, up to this time, had taken place on the same night. This year, however, the juniors gave us their warm send-off the evening of graduation. It was a perfect day for the seniors. In the morning we broke our final ties with DeVilbiss as we marched up the aisle to the stately music of "Pomp and Circumstance" to receive diplomas. This was a regretful moment for most of us as we realized we were leaving high school days behind, but in the evening all sadness disappeared at the dance as the couples whirled about on the dance floor. The lovely spring formals and the white coats of the boys made a colorful picture we won't soon forget.

It took us three years to build the foundation for our senior year, but we'll have the rest of our lives to remember it. And we did make this a year worth remembering!

Mr. Brown and Miss Bloom advise the Class of '50.

#### QUIZ for SENIORS

(Q) What two people occupy a special place in the memory of all seniors?

(A) Miss Rose Bloom and Mr. Russell Brown.

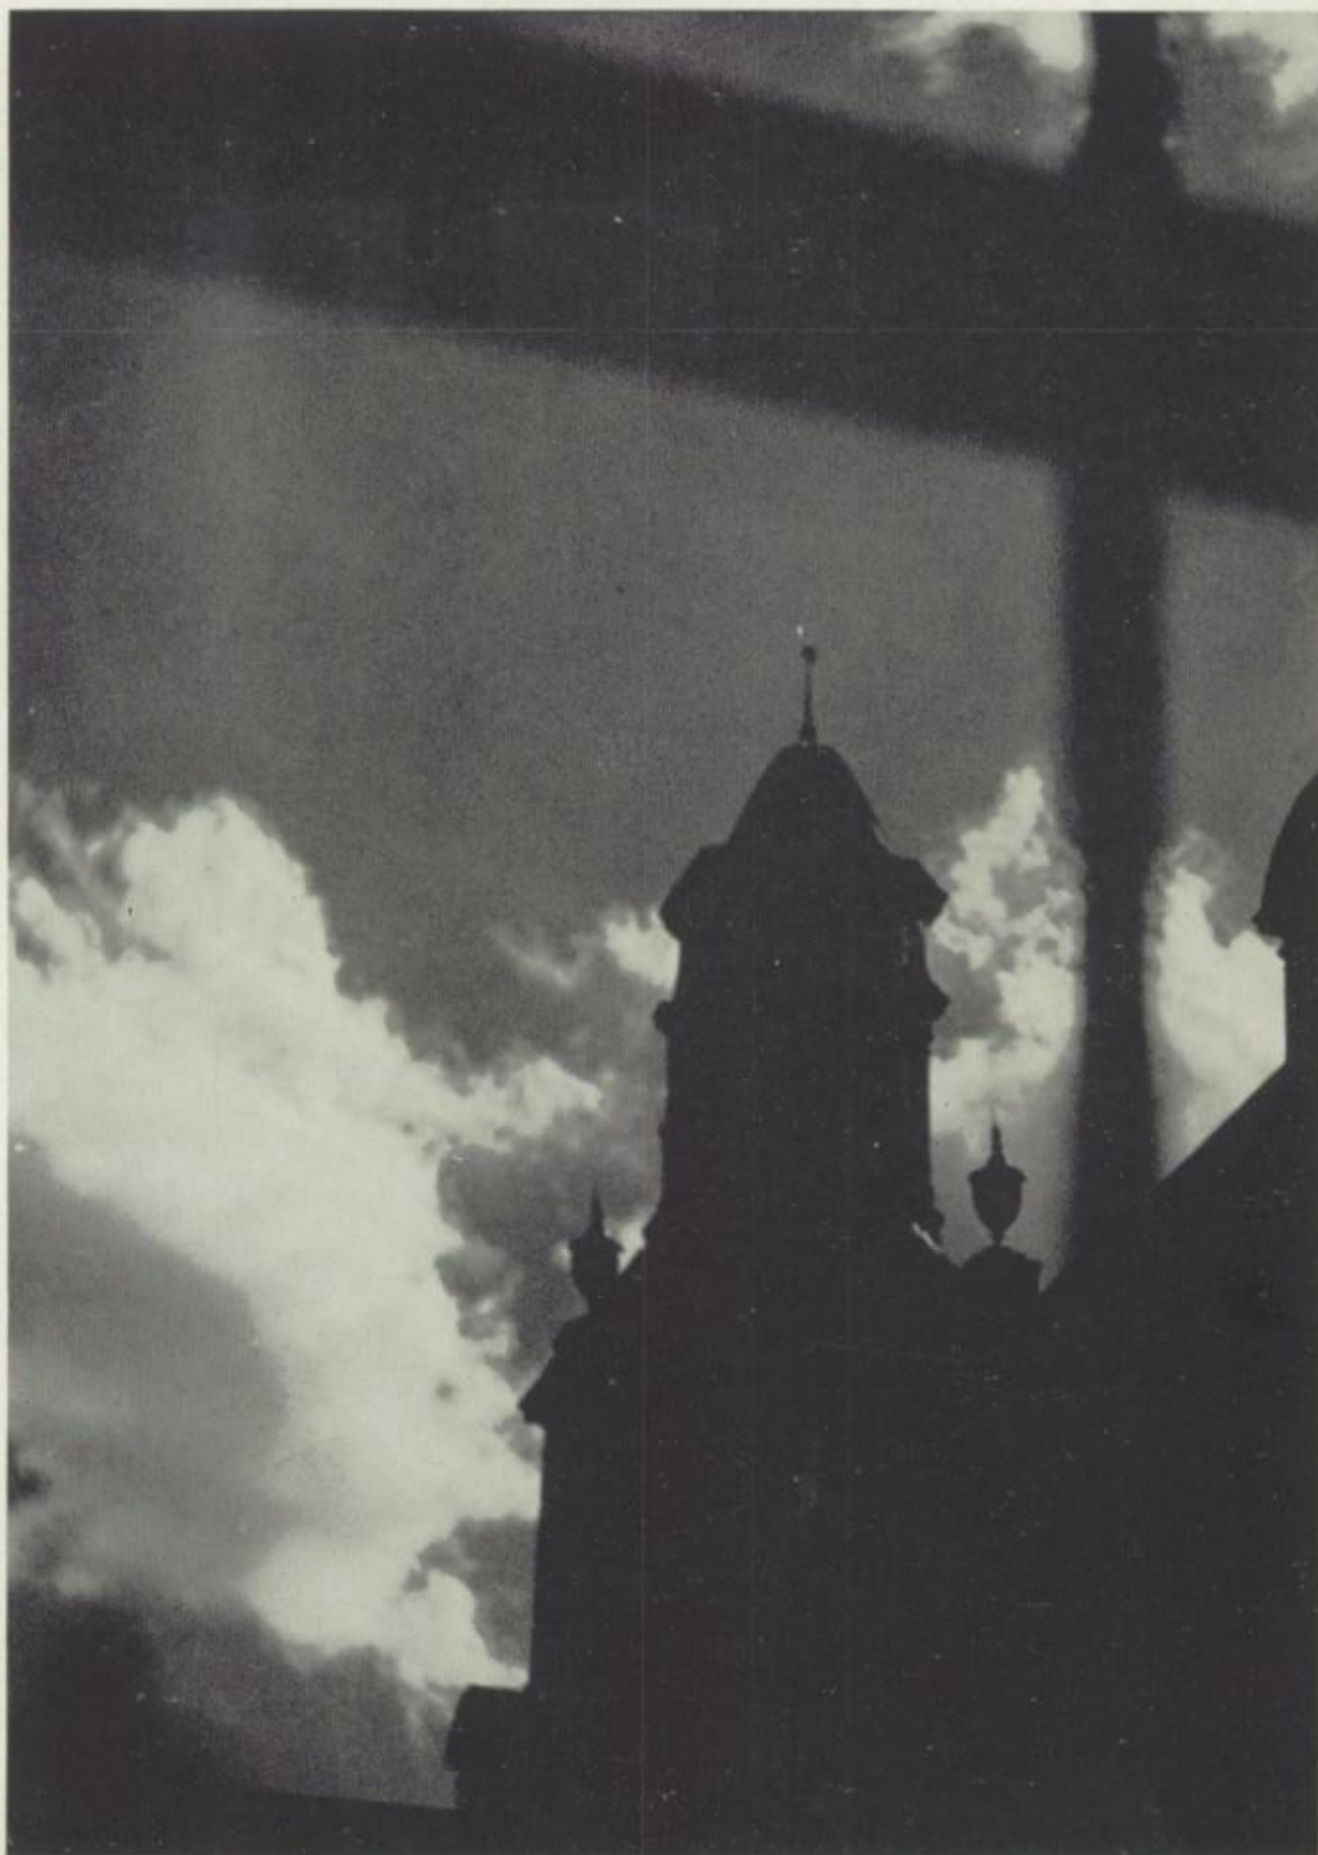

(Q) Why do they hold this place of honor?

(A) Because they've helped us wade through four years of heavy tides. It was their influence that steered us through the narrow channels and led us to the shores of success. Mr. Brown, aided by Mrs. Sutter, started us out on our memorable journey four years ago and they did a fine job. When Mrs. Sutter retired, Miss Bloom replaced her as co-adviser and the patience and capability of the new team guided us triumphantly through the last two years.

Now add up your score. Two questions correct makes you a "solid senior", one makes you an "average adolescent", and if you missed them both, you've missed the experience of knowing two wonderful people.

**"Memories, memories, dreams of days gone by  
O'er the book of memory we're dreaming with a sigh"——**

Yes, to some a sigh of regret—to others a sigh of relief. But in the minds of everyone there are some thoughts that will forever remain alive.

As the mellowing influence of years steals over us we'll clearly recall the friendships we've made, the varied experiences we've had, and the knowledge we've gained. These have been precious years, cherished years, which only time can help us to truly appreciate.

**———"They're years left behind, but still they'll be ours  
In our beautiful memories."**

General George C. Marshall looks over the agenda of the Washington Conference meetings with members of the National Council of the American Junior Red Cross. Seated at far left is Don Pair, DeVilbiss Senior and Vice-President of the Council.

## DEVILBISS CHAPTER PROMINENT IN JUNIOR RED CROSS

DeVilbiss is very proud to say that it has as one of its students the National Vice-President of the American Junior Red Cross—Donald Pair.

This honor was awarded to Don because of his leadership in Junior Red Cross work. He was our DeVilbiss representative to the High School Council in 1949 and later was elected president. Last summer he attended a leadership training camp in Philadelphia where he was chosen to represent the Eastern Area.

Don's activities have afforded him many opportunities. In December he traveled to Washington, D. C., as the chairman of the Eastern Area. One of the greatest honors bestowed upon him was that he was elected one of the twenty young men and women in the United States to make a tour of Europe this summer. He will sail in July, remaining abroad until the latter part of September.

Both DeVilbiss High School and the Junior Red Cross are proud of Don and his achievements.

**Miss Daisy Van Noorden**—As chairman of the DeVilbiss Red Cross Chapter since its organization, Miss Van Noorden did much to stimulate interest in this work both at the school and throughout the city. Her retirement from teaching last year brought an end to much of her Red Cross activity but in her mind and ours linger thoughts of great achievement and service rendered.

**Miss Aurelia Quinn**—Taking over Miss Van Noorden's work, Miss Quinn has both carried on in the traditional spirit of DeVilbiss Red Cross and realized the high degree of success that has characterized our participation in the organization. Miss Quinn has seen DeVilbiss recognized as one of the outstanding schools in the program of the Junior Red Cross and may look forward to still greater laurels.

## STUDENT GOVERNMENT

Under the leadership and knowledge of Mr. Robert Rettig and Ronald Harris the Student Council of DeVilbiss has had the opportunity to reach every student of DeVilbiss High School.

Mr. Rettig, a constant adviser and guide to the Council, is a friend to all. The many fine qualities of his character have already earned him high respect throughout the school. Mr. Rettig believes that school is where future citizens are made and that it is the number one job of the school to make good citizens. Because of the liberal views of Mr. Rettig, the Council has been able to feel its responsibility in setting forth the policies of student government. Working with the Commissioners he has helped them to maintain high standards of efficiency.

Our President, Ronald Harris, directs the Student Council in its varied activities and presides over the many Commissioners' meetings throughout the year. It is his capable leadership that has been responsible for bringing the representatives together into a more compact group. Working with the aid of the Commissioners he has enabled the home rooms to take a more active part in the activities of the Council. Each home room representative after every Council Meeting holds a cabinet meeting in his home room to bring the work of the Council directly to the attention of the students.

A very important part of the Student Council is the various commissions. Handling the biggest job of all is the Welfare Commission which directs all class elections and the huge magazine drive held each year. The Assemblies Commission too has a responsible position in arranging the many entertaining and educational auditorium periods. The Student Court has shown an untiring effort in judging the cases of the students brought before it. Clubs, an important part of the extra-curricular activities of DeVilbiss students, are under the direction of the Organizations Commission. Remaining are the School Service Commission, the Social Commission, the Publications Commission of both the Pot O' Gold and the Prism, the Publicity Commission, the Awards Commission, the Finance Commission, the Community Service Commission and the Athletic Commission—all commissions of responsibility which serve the school.

Always ready to improve the system of school government, the Student Council of DeVilbiss takes an active part in the activities of the District Student Council. This year the Student Council has

started a new project—giving a party for the entire student body. It is hoped that if a success, this project will become an annual affair at DeVilbiss High School.

Yes, the Student Council by working with the faculty and students of DeVilbiss has had an active year, and it is hoped that in the years ahead DeVilbiss will continue to improve and grow in good student government.

# THE POT O' GOLD HOLDS YOUR HIGH

As you peruse your copy of the 1950 Pot O' Gold such questions might enter your mind as, "Who puts out the Pot O' Gold?", "How was it produced?", or even, "WHY did they publish this book?" I don't really think that many people wonder such things, but if you do—read on! If you don't—at least look at the pictures on this and the next page.

As for the first question, "Who—?", I can simply say, "We do, that's who." ("We" meaning the Pot O' Gold staff). Those now looking at the pictures see our happy, smiling faces; those who can read may now glance at the pictures and even match faces with names and positions. (Incidentally, even those not smiling are happy; we're always happy.) So now you know, "Who—?"

I'm not too sure that I remember, in detail, just how we put out the book. I do recollect, however, hours spent sorting and mounting photographs, alphabetizing endless lists of names, and making deadline stands on copy and cuts—doing much of this when most students are

home eating dinner. In connection with method other than sheer grind some mention should probably be made of the Columbia Scholastic Press Association Convention. Every year, come March, the Pot O' Gold and that other DeVilbiss publication send delegates to New York for this convention. This year the annual staffers represented were Nancy Richardson, Jean Barnby, Alice Heyman, Sandra Getz, Beverly Sandusky, Carolyn Wilcoxin, Ann Gordon, Ruth Ramsey, Jeanette Smith, Barbara Baker, Anita Etters, Sally Lindsey, Millicent Dederman, Sue Stapleton, Don Barnby, Carl Satre, Charles Mater, Clark Holt, Ron Penkoff, Norman Roulet and chaperones Miss Ruth Smith and Mr. and Mrs. Stalker. It is sometimes said that these conventions are regarded by those attending them merely as opportunities for a good time in the big city. However, this is just malicious gossip (I think), and everyone tries to attend as many lectures as he can (without precluding shopping, shows or sight-seeing). However, our staffers don't have to go to New York to have fun for room 164 is one place where a person who gets his kicks from back-breaking labor can have one whale of a good time. Perhaps the best reply to "How—?" is, "by a lot of hard work."

If you now question the value of a yearbook and tend to regard it just as something that everyone buys at two-bits a throw, wait until in future years you figuratively turn back the clock by turning back to your copy of the Pot O' Gold—then, we hope, you will know the true value of an annual. The answer to question number three, "Why—?", is not, "from force of habit" but, as our theme proclaims, "to help you remember DeVilbiss'."

# PRISM RECORDS ACTIVITIES FOR SAFEKEEPING

You think we're going to say that room 216 is constantly in a state of perpetual commotion. You think we're going to tell you that everyone on the Prism staff goes slightly mad every other Tuesday when the paper rolls off the presses. Well, you're wrong.

Marilyn Wilson, our Editor, comes in on the day that the copy is to go to the printer and finds that Bruce Steinhauer, an Associate Editor, has left the headline charts at home. But does Marilyn beat her head against the wall? Of course not. She uses Bruce's head. Pat Calef, the Managing Editor, sits calmly by drinking her sandwich and eating her milk as she waves a threatening horsewhip over the heads of Club Editor Barbara Drake, Feature Editors Larry Bershon and Chuck Pearson and Society Editor JoAnne Seitz. They don't seem to notice this. They're too engrossed in cutting paper dolls out of old Prisms.

Advertising Manager Don Gerlach thrusts himself through the door dragging Assistants Roi Davis and Nancy Campbell after him. "Make room for more ads!" shouts Don with that evil grin. Associate Editor Darlene Lange says nothing but quietly jumps through the window. Over in the corner Sports Editors Ron Harris and Joe

Sites with Assistants Mark Greenberg and Jerry Iagulli are strangling Photographer LaVerne Alexander. It seems he went to a basketball game and forgot his camera. P.A. Announcers Betty Jean Thronton and Dave Rubin come onto the scene asking News Editors George Weingardt and Ron Kaminsky what news is going to be in the next issue. In reply to this dumb question they brilliantly answer, "Duh!"

Thus the fatal Tuesday arrives. Publicists Ann Smyser and Pat McGuire, having finished the posters, crawl back to room 250 on their hands. About this time Circulation Manager Molly Beck gathers up her bundle of papers with the old familiar cry, "Papers, papers, get your Prism, papers!"

The Prism's formula must be a good one, however, because it was given first place ranking at the Columbia Scholastic Press Association Convention in New York. The Prism also copped a big, shiny trophy at the Bowling Green Convention for being the best printed paper in Northwestern Ohio. For these honors we feel that we owe much to our faithful advisers, Miss Rose Bloom and Miss Elaine Hirth.

## INTER-CLUB COUNCIL

The main duty of the Inter-Club Council is to keep all clubs working harmoniously together. A representative chosen from each chartered club attends Council meetings and reports back to his respective club all news of importance.

Alice Heyman, as President, presides over all meetings. The Vice-President, Pat Calef, filled in for the president whenever she was absent. Pat was also chairman of our annual dance. Minutes and attendance were taken by Nancy Brechenser, the capable Secretary of the

Council. Our money was carefully handled by Sue Stapleton, Treasurer. Ronald Kaminski, Commissioner of Organizations, helped greatly in seeing that the clubs received their charters and followed the rules set up for chartered clubs. And Mr. Robert Rettig, our faculty co-ordinator, was always present to put in a helpful word or two.

Inter-Club Council was very active this year. We organized the Christmas decorations placed around the school by the different clubs. The Little Brown Jug was awarded to the Canasta Club for their beautiful decorations. The name of their club was written on the jug along with the names of the winners in other years and placed in the main trophy case. On April 28th the Student Council and the Inter-Club Council co-operately sponsored a get-together night for the faculty and students. It was a new idea this year and a successful one. Next on our busy schedule was Club Day in DeVilbiss. On this day representatives from each of the chartered clubs worked harmoniously on an auditorium skit to give the rest of the school an idea of what their clubs did. That evening as a finale our annual banquet was held.

With the cooperation of all the clubs we were truly able to fulfill our purpose.

Alice Mae Heyman, Inter-Club Council President, awards George Athanas, President of the Canasta Club, trophy won for his club's Christmas decorations.

# RE-ECHOING MEMORIES

## SENIOR HI-Y

The Senior Hi-Y under the capable leadership of Chan Nauts, President; Max Pirner, Vice-President; Henry Townsend, Secretary, and Jack Reed, Treasurer, has completed another eventful year.

The main purpose of the club is to create, extend and maintain throughout the school and community a higher standard of Christian character. The meetings are held on Thursday evenings at the Y.M.C.A. with the aid of our competent advisers, Don Sharp and "Doc" Miller.

The main interest of the Hi-Y is sports. We participated actively in various athletic tournaments against the clubs from other schools. We advanced to the semifinals in the basketball tournament and made a complete sweep of the swimming tourney. The athletic teams were sparked by outstanding notables—Don Blair, George

Photos, Russ Moebius, Bill Whipple, Don Pair, John Syx and John Hanson. But the members are known around school not only for their athletic prowess, but also for their active participation in class affairs and in extra-curricular activities.

Our meetings never became dull for much entertainment was provided by Ted Grover, Dick Kelly, Karl Klipfel and Roi Davis. The main interruptions at the meetings were the outbursts of Jim Holliger and John Hunt calling for more social events. The club also held a good many table tennis tournaments but we were never able to agree who was the winner.

We are very proud of the club and the services it has rendered the past four years to the school, the Y.M.C.A., and to the community.

ROW THREE—Don Wilcynski, David O'Neill, Henry Townsend, Jim Holliger, Don Blair, Jim Henning, Max Pirner. Not in picture—Chan Nauts, John Hanson, Don Pair.

# REFLECTIONS OF PAST ACTIVITIES

## JUNIOR HI-Y

The Junior Hi-Y has had a very active and prosperous year. The meetings at the Y.M.C.A. were led by Bill Miller, President. The minutes were taken by Ronald Schlievert, Secretary. Our programs were arranged and conducted by Richard Skuce, Vice-President. The dues were collected and the books balanced by Bruce Steinhauer, Treasurer.

Our members whole-heartedly participated in all Hi-Y activities. We were well represented at the Findlay Conference, and Bill Miller went to the annual conference at Camp Nelson Dodd to represent our group. Also many members were present at the Hi-Y-Teen weekends at Camp Storer. Our open house at the Y.M.C.A. was a great success as were our two picnics—one at Walbridge Park, the other at Farnsworth Park. In January we had a discussion with the Junior Y-Teens on dating. Following the discussion, which took place at the

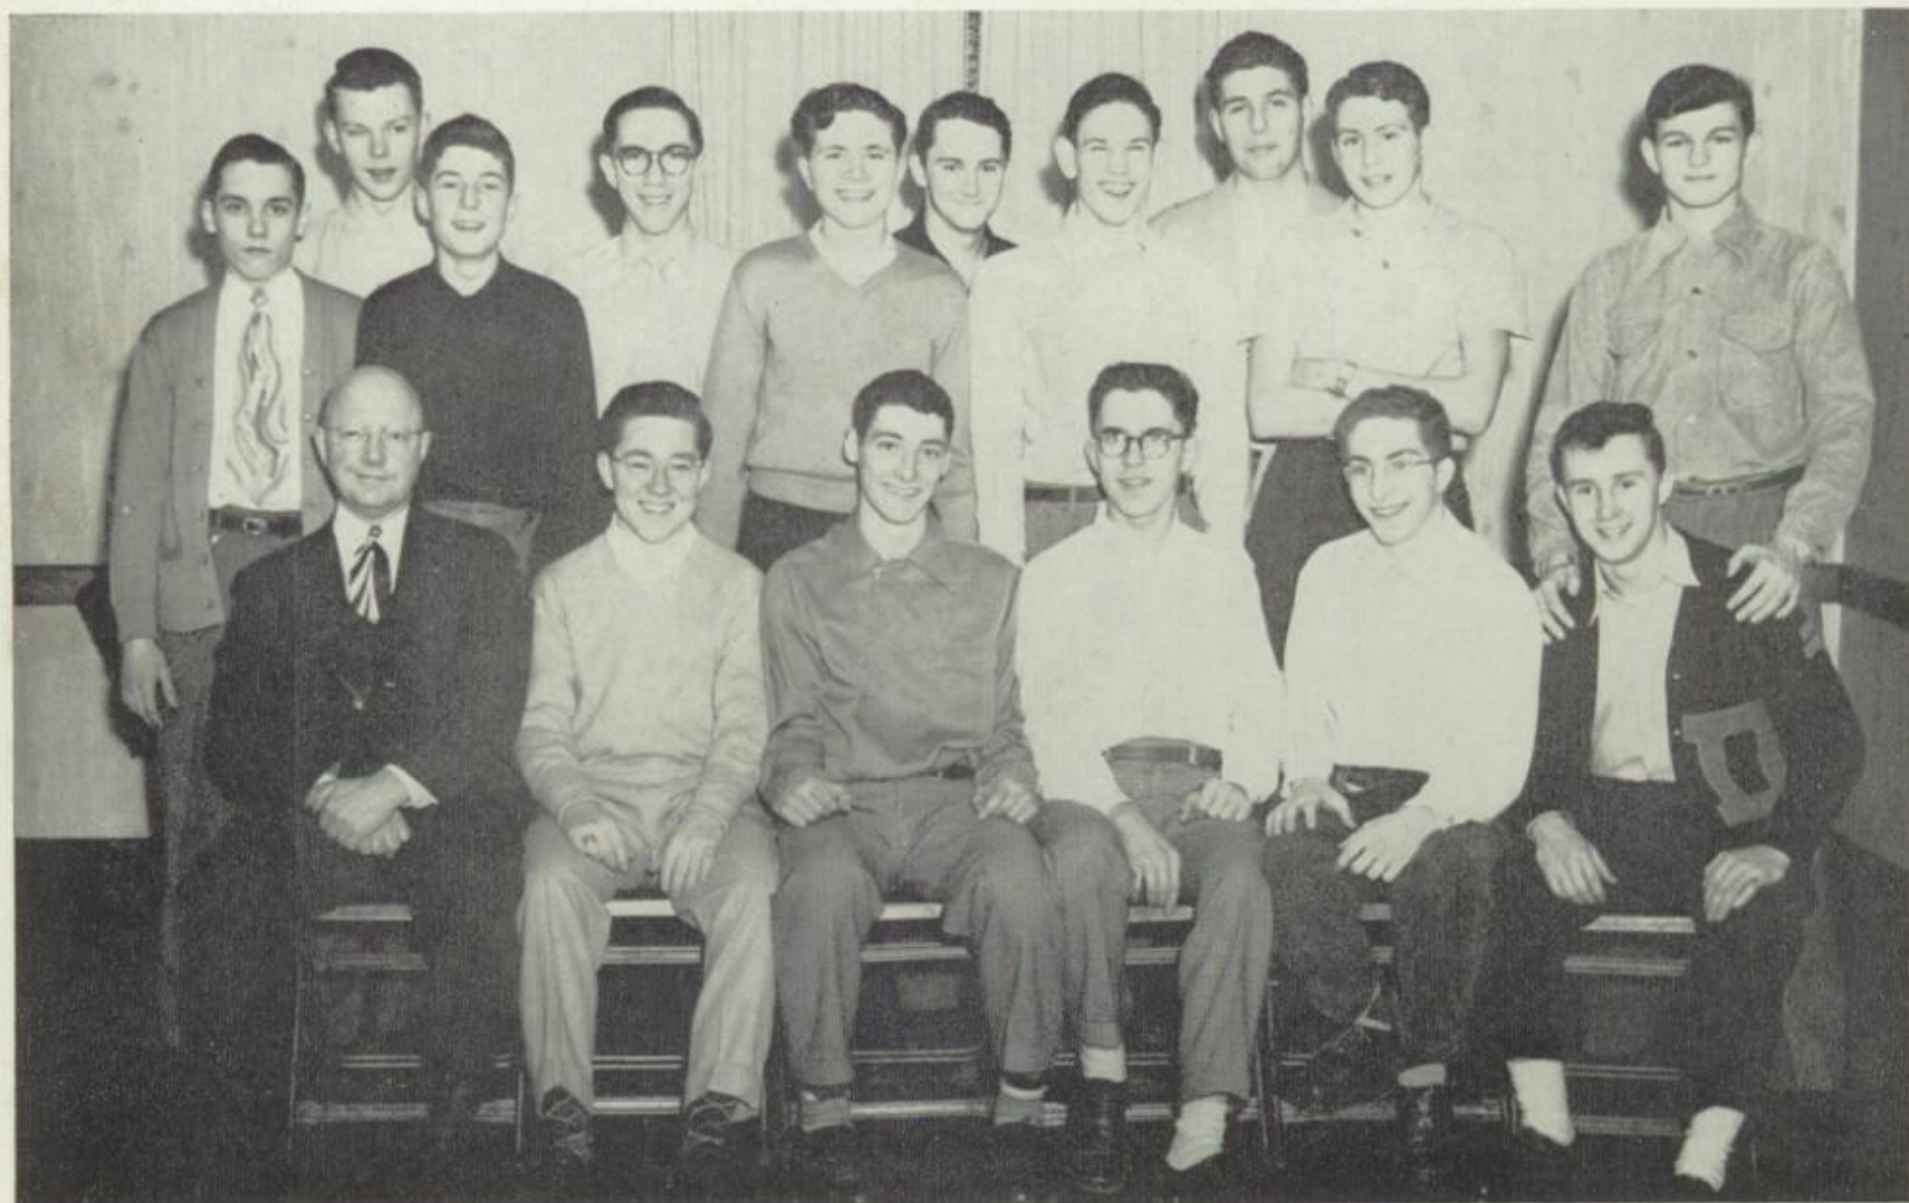

Y.W.C.A., there was dancing and refreshments. The accomplishment of which we are the most proud is the winning of the basketball tournament between all Junior Hi-Y's in Toledo.

At our meetings there were various interesting programs. To create higher standards of Christian character we had several speakers, discussion groups, and movies. For recreation we had a ping-pong tournament.

Our club was very much interested in service projects this year. We went to Camp Storer on several occasions to help clean it up and to carry out conservation projects on the grounds. Then we helped more this year in the Community Chest Drive by distributing posters and leaflets.

We came to the end of this year with the addition of many new friends made through our activities in the school and the Y.M.C.A.

## ACTIVITIES RELIVED

### SOPHOMORE HI-Y

The aim of the Sophomore Hi-Y, to inspire a better school spirit and to maintain the high ideals for which the Hi-Y's have always stood, has been realized to a greater extent this year by the club and for this we are grateful.

Our officers for the year were: Bill Billeau, President; Hal Moore, Vice-President; Mark Gallon, Secretary; Ronald Byram, Treasurer; and Tom Benson, Program Chairman.

At our programs this year many interesting speakers and discussion groups were presented. Some of our special activities included the Lima Conference at which we met the Hi-Y members from the Northwestern district. From the conference we brought back to our club a deeper understanding of what the Hi-Y organization stands for and the high ideals for which it is constantly striving. Our club was also represented at the Camp

Storer weekends in the fall and in the spring. A joint meeting with the Sophomore Y-Teen was greatly enjoyed by all.

Throughout the year forty boys have showed an interest and have participated in the meetings and activities of the Sophomore Hi-Y. The members also took great pleasure in initiating several new boys into our midst early in the year.

As our contribution to community service a group of our boys distributed Community Chest posters and leaflets to local business concerns.

As the year draws to a close and we look backward, we see many new-made friends and a constantly growing club. This we owe to the great help given us by the club's advisers, "Doc" Miller and Joe Dunn. Now we lift our heads to greater horizons and new years to come,

## VISIONS OF DAYS GONE BY

### CHRISTIAN YOUTH

As one of the fairly new clubs of DeVilbiss, we are making rapid progress and now have twenty-one members. Since the organization of this club, Miss Elaine Hirth and Mrs. Virginia Francis have been our faculty advisers. We have no parent adviser but most of the parents of the club members are happy to entertain and to be present at the meetings.

Meetings are held in the homes of the members on every other Monday evening and are usually very well attended. These are led by Shirley Hart, President. Other officers are: Vice-President, Judy Hicks; Secretaries, Ruth Ziemer and Barbara Kuehl; and Treasurer, Shirley Stedcke.

The book chosen for study this year is the Romans.

Other city high schools have similar clubs and under the guidance of Mr. Carl Bihl, director of Toledo Youth for Christ, they sometimes meet together. One such meeting was held in the Ottawa Park Shelter House at Christmas time.

All the groups also compete with each other in the Bible quizzes broadcast over radio station WTOL. Listening to these programs on Monday evenings are part of every meeting. Several members of the DeVilbiss group have taken part in these programs and we are hoping to win a week at Winina Lake this summer which is the prize for the club having the most points.

One of the most enjoyable social events of the year was the Christmas party to which the alumni were invited. This was a progressive dinner. The parents of Marilyn Hall, Judy Hicks, Barbara Kuehl, Leah Steman, and Shirley Hart served a five-course dinner. Games and fun closed the evening.

In all our study and fellowship with each other is the common faith in God and an interest in His word. The members of this club acknowledge that to be approved unto God we must study to rightly divine the word of truth.

# MEMORIES OF SERVICE

## SENIOR SERVICE SCOUTS

The Senior Service Troop 86 is now completing its second year of organization. We have two meetings each month. One is held at school and the other in the evening at the home of a member. It is at these meetings that we carry out our service work. This year as one of our projects we made clown bean bag dolls for the hospitalized children of Toledo at Christmas. We corresponded with three families in Europe, sending two of them boxes of clothing and food. We sent magazines to the Old Peoples' Home and to the Child Study Institute. We gave many hours of volunteer work to sell Christmas Seals for the Tuberculosis Drive. All our work and service that we do seems more like fun because of the enjoyable companionship of our fellow members.

On the social calendar of this year many activities were

included: weekend camping at Camp Libbey in the fall and in the spring, a Christmas party, a square dance, and a splash party given by the Planning Board.

Under the supervision of Miss Ruth Smith, our faculty adviser, and Mrs. Hedden, our leader, plus two mothers, Mrs. Brigham and Mrs. Pirner, who so willingly and freely give of their advice and time, we can only expect more fun and greater service in everything that we undertake.

Our capable officers this year have been Marilyn Lankenau, President; Cella Harrison, Vice-President; Edith Ward, Secretary; Marylee Pray, Treasurer; Billie Spurgeon, Inter-Club Council Representative; and Nancy Jean Reighard and Nancy Bolton, our representatives on the Senior Planning Board.

ROW ONE—Mary Lee Pray, Edith Ward, Mrs. Grace R. Brigham, Mrs. Margaret B. # FOND RECOLLECTIONS

## SENIOR Y-TEEN

Over the hubbub of voices our patient President, Nancy Miller, tried vainly to restore order with the aid of the Vice-President, Barbara Baker. After quiet was finally restored, Barbara Frautschi, the Chaplain, led us in prayer. While Marilyn Decker, the Secretary, reads the minutes of the last meeting we look around the room and see the Treasurer, Virginia Dowdney, sitting in the corner gloating over all that money.

There were many things on the agenda for the Senior Y-Teen Club this year. To start the year off right, a roast was held at the home of Barbara Frautschi. The girls really enjoyed this as much as the speaker they heard who gave a talk on a number of the more popular careers for girls. Many of the members gained much from these talks. A day of bowling was enjoyed by all during the Christmas vacation. A gay Christmas party was held at which we exchanged gifts and played games. The club helped a poor family at Christmas time with baskets of food. The canned goods was brought in by the members and the main dishes of the dinner were paid for out of the treasury. In addition clothes and toys were donated by the members and their families.

The two money-making projects of the year were the paper sale and the rummage sale. This not only added considerably to our treasury but also gave the girls more of a chance to work and to be together.

The Mothers' Tea, an annual event of the Y-Teens, was equally enjoyed by both the girls and their mothers.

Heads of various committees were: Shirley Emery, Y-Teen-Hi-Y Council Representative; Dixie Sawicki, Program; Marilyn Swyers, Publicity; Shirley Emery, Service; Sue Stapleton, Inter-Club Council Representative; Janet Bell, Social; and Sandra Minder, Ways and Means.

The members of the Senior Y-Teen Club agree that most of their success is due to the thoughtful and careful guidance of our advisers, Mrs. Samuel Renshaw and Miss Fern Dickey.

As we look back on our club's four years of organization, there are memories of good times and friendships which will never be forgotten. These are the things that are constant reminders of our memorable high school years.

## MEMORIES OF MEETINGS

### JUNIOR Y-TEEN

This year the Junior Y-Teen had many enjoyable times together. Under the leadership of Florence Herman, our President, we have lived up to the purpose of growing as a person; growing in friendship with the peoples of all races, religions, and nationalities; and growing in the knowledge and love of God. Kay Kimple, Vice-President, arranged various interesting programs throughout the year. Our two Secretaries, Carolyn Darah and Barbara McLain, took charge of keeping the minutes and taking the roll. Carol Huffer as Treasurer handled the money, and Ronnie Engelke opened each meeting with a prayer.

We started the year successfully with a roast at JoAnne LeSueur's house. At the following meeting we entertained our mothers and our new members with a play. A Halloween party in the home of Judy Stead where we initiated our new members was the next event. We have taken a tour through the Babcock Dairy. A later social event was a Christmas party in the home of Florence Herman. Our greatest service project was the sending of boxes of soap, clothing, and supplies to Japan. We had a bake sale to raise money for our treasury. This turned out to be a very profitable project.

Part of our fun was having meetings with the Hi-Y. In January we met with them to have a discussion on the problems of youth. Refreshments and a social hour including dancing, ping-pong and Canasta followed.

Many of our ideas and inspirations came from our advisers at the Y.W.C.A.—Miss Davis and Miss Acker. They were guests at many of our meetings, and they were always willing to offer the facilities of the Y.W.C.A. to us for special meetings.

We know that the year would not have been so successful without the able assistance of our advisers, Miss Schueren and Mrs. Slater. To them we give our heartiest thanks.

Every year since the club has been in existence, it has become more active. Each year the club becomes more experienced and the feeling of unity among the members is stronger. We feel that this year has been very successful, and we are looking forward to next year with the hope that we may continue in our upward progress.

## LASTING FRIENDSHIPS FORMED

### SOPHOMORE Y-TEEN

Under the able leadership of the Sophomore Y-Teen President, Sue Starkey, the school year was begun with a successful roast at Ottawa Park preceding the game with Central Catholic.

The purpose of this Y-Teen Club is that of the Y-Teen organizations everywhere. They propose to bring into social contact American, inter-racial, and international groups so that the individuals have an opportunity of exercising Christian love in everyday living and service to God. Meetings held twice a month, one at school and one at the Y.W.C.A., furnish members an opportunity to practice many of the ideals for which the group stands.

To add a little excitement to the club we split into two groups to see which of the groups could collect the most food and clothing for overseas boxes. We were able to fill four boxes by this project. This gave the club a better feeling of unity and also helped us carry out the purpose of our club. The members also enjoyed various social activities during the year. In addition to our Christmas party we had several splash parties and a dance.

Because of the active participation of the members all these events were very successful.

Through the capable leadership of our officers various programs were carried out during the year. Marilyn Britton, Vice-President, arranged such programs as movies, a talk on manners, and a style show. Marilyn Lankenau, Secretary, kept the minutes and took the attendance accurately while Ann Fish, as Treasurer, was in charge of the books. Carol Henning, Chaplain, conducted all the devotions at our meetings. Janice Kelly represented us at Inter-Club Council.

During the Christmas season the girls participated in the annual Hanging of the Greens at the Y.W.C.A. At the Christmas meeting members exchanged gifts and enjoyed refreshments after the interesting program.

Though our club is now only two years old, we feel that we have gained much in that time. Not only has the club as a whole prospered but also the individual members have benefited by their experiences.

# LASTING FRIENDSHIPS FORGED

## FRESHMEN Y-TEEN

Shouts of laughter and merriment were heard on March 6th at the Y.W.C.A. This laughter was produced by the Freshmen Y-Teens. Among the mirthful members who enjoyed the splash party were Pat Downer, Renee Riendeau, Beverly Walters and Carol Whitmill. After the swim they all had a huge appetite so up to the second floor went the girls for a pot-luck. Just as the girls got their food, in popped Jackie Penny bringing the bread. The food was like a banquet to our starved members. When nary a morsel was left the girls were led by Mary Lou Schlieve in a chorus of "Down by the Station." Soon Joanne Mocek shouted, "The meeting will please come to order!" When the girls finally became somewhat orderly, the minutes were ready by Shirley Clark and the devotions were said.

After the club business was discussed, Luette Fox made a motion that the meeting be adjourned. Gretchen Hossenlopp, Sally Hamilton, Lois Erhmin, Louise Davidson, and Doris Schull chimed in to second the motion.

This is a typical meeting of the Freshmen Y-Teens who meet every other Monday.

Although our adviser, Mrs. Blanche Luther, missed many meetings because of an accident, our club continued to function under its capable officers: Joanne Mocek, President; Beverly Walter, Vice-President; Shirley Clark, Secretary; Joyce Griffith, Treasurer; Carol Whitmill, Program Chairman; Nancy Majewski and Doris Schull, Chaplains; and Renee Riendeau, Inter-Club Representative.

With "To grow as a person; to grow in friendship with the peoples of all races, religions, and nationalities; to grow in the knowledge and love of God" as the purpose of the club we had a fine year.

We held a roast at the beginning of the year, bought canned goods for needy families at Christmas, held a dance in March at the Y.W.C.A., and had a few pot-lucks and splash parties. This group is looking forward to a bright future in our next three years in DeVilbiss.

# ROMANS REMINISCE

## LATIN CLUB

Just three years ago DeVilbiss witnessed the birth of a new club, the Comitia Latinorum. So during the past year we could look back on two years of experience while planning our club activities. With the aid of our advisers, Mr. S. B. Emery and Mr. David Voss, the officers of the club, and the co-operation of the entire club membership, the Latin Club has been able to provide those interested with fun, entertainment, and a further knowledge of Roman culture.

At the initial meeting of the year some older members presented a play entitled, "A Trip Through Roman History," for the benefit of the new students desiring to enter the club. Between the splashes of King Tarquin crossing the Tiber River and the clattering of falling Rome, the club members managed to grasp some of the main events of Roman history. Marlene Hazle and Anne Fowler, two of the sophomores, ably took charge of the Christmas program and entertained us with an account of the celebration of the ancient Roman feast of the Saturn-

alia, games, music, and refreshments. For the second part of our Christmas program sixteen of the members went to Toledo Hospital, donned choir robes, and sang the traditional Christmas carols in Latin.

During the second semester we were able to obtain outside speakers to add to the programs planned by the students. However, most of our energies were directed toward the traditional Roman banquet held April 25, celebrating the founding of Rome. While eating and enjoying the food planned by Harriet Rohlfing and sitting around the elaborate decorations planned by Ann Cordill, we enjoyed the sparkling wit of Jay Buell.

The election of next years' officers ended an eventful year.

The seniors graduating can look back with a feeling of accomplishment at the many interesting programs, meetings, and, of course, the Roman banquet; the underclassmen can look forward to a new and better club in the following years.

## RECUERDESE UD. CON GUSTO

### LA ALIANZA

Under the capable leadership of its advisers, Miss Marian Smith and Miss Ursula Schmit, and its officers, La Alianza Latino-Americana has had a very successful year.

At the initial meeting of the year five competent officers were elected to guide the club in its activities: President, Tom Mills; Vice-President, David O'Neill; Recording Secretary, Nancy Gregg; Corresponding Secretary, Millicent Dederman; Treasurer, Tom Benson.

La Alianza is affiliated with the Student Pan-American League which is a national organization of Spanish clubs. In the "Boletin", the official publication of the league, was a list of projects that the clubs could undertake. One of these was the making of a scrapbook. This project was decided upon and the book included postcards, newspapers, and articles written by the club members on our city, school, and home life. This scrapbook was then sent to some Latin American school in hopes of getting one in return.

Early in the fall, Alianza was honored by having Miss Joanne Smith, an alumna of DeVilbiss, speak to the club about her experiences while working in Mexico.

Members of the club enjoyed the Christmas fiesta given at the home of Jim Caldwell. The party included the traditional custom of a "pinata", and all the members enjoyed the mad scramble to reach the pieces of candy strewn about on the floor when the pinata was broken by a blind-folded member of the group.

A formal induction was held in the DeVilbiss library for the new members at the beginning of the year. The entire service was carried on in Spanish; and afterwards, Mr. Russell Brown, Dean of Boys, gave a brief speech in Spanish welcoming the new members into the club.

Also on the agenda for the year was Spanish dancing taught us by Miss Mary Linville of Waite High School. This dancing was sponsored by La Alianza and Charlemos Spanish Clubs and was open to the whole Spanish department.

La Alianza has had an active and enjoyable year, and we are looking forward to many more.

ROW FOUR—Carol Burkholder, Barbara Abood, Lorna Romanoff, Nancy Laspisa, Nancy Garbe, Pat Cole, Barbara Wilson, Sue Emch, Mary Seigal, Marilyn Wilson.

## SPANISH CUSTOMS RENEWED

### CHARLEMOS

Even though Charlemos is Spanish for "let's chat," the aim of the members of our club is far from what the name implies. Our group, which is in its second year of organization, has endeavored to carry out its purpose which is to better understand the culture and the customs of the Spanish-speaking peoples of the world.

To do this we obtained speakers for our meetings who lectured on South America and Spain. One of our advisers, Mrs. Samuel Berman, originated many of the events by telling about her trip to Cuba and by teaching us Spanish songs. Miss Ursula Schmit, our DeVilbiss Spanish adviser, helped us immensely with our problems concerning Spanish.

Our social activities were the highlights of the year. The party given for the orphans was a great success. Our

Christmas party and Mothers' Tea were other events which were greatly enjoyed by those who attended.

Of course, any club is lost without leaders and our group elected competent officers who planned our activities and carried through the year successfully. Joan Olen, our President, called the meetings to order and in her absence our Vice-President, Marilyn Wilson, served as the leader. Our funds were carefully watched by Mary Siegal, and Barbara Wilson represents us at Inter-Club Council meetings. Pat Cole planned our programs for the year.

The unusual thing about this group is that its entire membership is feminine. At the meetings which were held every third Tuesday at this was quite evident. The idle chatter was soon stopped however, because it was our aim to speak Spanish for at least a few minutes each time we met.

# PENSAMIENTOS DE AYER

## CASTELLANA

### Se abre la sesion

Yes, it's the president of Castellana opening the club meeting. It isn't Greek my friends. It's all Spanish because Castellana is an honorary Spanish club for beginners.

This club derived its name from the Spanish word castellano which means the Spanish language. The club changed the last letter to an "A" which represents the grade every member is required to possess.

The purpose of this organization is to become better acquainted with Spain and Latin America and to learn more about their customs and their people.

Castellana's officers are: President, Judy Kitchen; Vice-President, Martha Rosenbrook; Secretary, Cherie Riblett; Treasurer, Earl Sigg; Advisers, Mrs. Dorothy Mills and Mr. Hartzell Huntley.

Early among Castellana's enjoyable activities was a very impressive induction service in the chapel of the

Y.M.C.A. after which Mr. Huntley spoke on Latin America. At the next meeting, which was held at Mary Manse College, Castellana met with the Modern Language Club of that school to sing in Spanish and to hear about the famous Holy Week processions in Seville. Another time, Father Gorman of the Temple of Gaugalupe spoke on his recent visit to Santo Domingo. Later in the year Castellana met with the Mexican Culture Club of the International Institute. Mr. Jose Martinez gave highlights of his travels in Spain, Brazil and Argentina. Probably the most enjoyable meeting of all was when a Mexican housewife prepared a real Mexican dinner for us. With this glimpse of foreign life everyone thought the evening well spent.

The club year truly proved the purpose of Castellana. Well, my friend, we give book reports and discuss the authors. We try to learn more about the works of literature, and although most of us will never become foreign language geniuses we have had fun by simply being together.

ROW ONE—Carol Christen, Norma Peeps, Cherie Riblett, Laurabelle Varnum, Judy Kitchen. ROW TWO—Tom Eriksen, LuAnn Thompson, Pat Warrick, Marilyn Olsen, Kathleen Rude, Marilyn Arnold, Martha Rosenbrook, Leah Mallory, Jane McClure, Mrs. Mills.

# MEMENTOS OF THE THEATRE

## DRAMATIC CLUB

Ah, memories! Yes, those days of long ago filled with forgotten lines, grease paint, and those unforgettable friends. Remember when . . . . .

We chose our annual three-act play that we presented in April, and those wonderful advisers, Mr. S. B. Emery and Mrs. Knaggs, who gave their nod of approval?

From the corner of the auditorium we could hear "Smiling Jim" Ted Grover and Dick Kelly harmonizing on the chorus of "Run to the Roundhouse, Nelly; the Brake-man Can't Corner You There"?

Our mailboxes were stuffed with notices of meetings sent by our Secretary, Barbara Tussing?

Chuck Jacoby used to give us his personality smile in the hall and relieve us of our only facsimile of George Washington for club dues? "I'm as honest as George is," said Treasurer Chuck.

The record of "Who" that we needed in the first act of our play, "The Male Animal," developed a noticeable crack? (But only after Tom Treon and Nancy Richardson had danced to it for the four hundredth time!)

Jeanne Jacquett forgot her knitting? She never had the chance to take over a meeting as Vice-President because "true-blue" Paul Montgomery, our President, was always on the job.

The only day that Jim Peterson couldn't get the car, it rained until eight-thirty?

Norman Roulet's excuse for missing meetings three times in a row was, "I deeply regret that my previous incapacity to attend meeting caused such great consternation among the assemblage. I will endeavor to facilitate my attendance in order to vindicate myself of this oversight."?

Ruth Ramsey and Margaret Murphy told each other "Absolutely, Mr. Figby?, Positively, Mr. Hoff?" jokes waiting for their cue in the wings?

The thrill of looking up at the set and knowing that you had done your job well was the only thing that counted?

Of course you do! For as the theatre never dies, neither does its memories.

## RIDES RELIVED

### CHEVAUX

Tally-ho and they're off, off the horses, that is. Even the most experienced rider sometimes takes a spill. However, when this happens, there is always some one to pick him up and give him a word or two of consolation.

Every Saturday afternoon Chuck Howard, our trainer, leads us on our weekly jaunt over hill and dale. We start out by trotting and then gradually work up to galloping. After the horses have had a run, some of the more experienced riders do some jumping. In jumping a person not only needs skill in riding a horse but also gracefulness, poise, and many hours of practice. Chuck chooses our trails wisely because he wants us to have as much experience as possible. Sometimes he will take us through very dense woods to see if we can handle our horses properly. After our long ride, we usually practice at the hunt course near the stables for a while. This consists of many jumps and different obstacles. To master all of these, one must be very experienced. When we finally reach the stables, everyone is bruised, bow-legged, and bragging of his accomplishments.

This year the club had very capable officers. President

Carol Christen led the club throughout the year. Alice Adrian, as Vice-President and Secretary, helped her. Carol Hansen was Treasurer while Shyrle Swanson acted as Inter-Club Council Representative of the group. Mr. and Mrs. Pierre Pasquier were the advisers of the club.

Although this is a riding club, the club does not limit itself to just riding. There were several social activities on the schedule also. At Christmas we had a party at Jane Brunthaver's home. We had two hayrides and a square dance during the course of the year. We all enjoyed our social functions very much.

To become a good horseback rider a person must first like horses. After a person learns how a horse should be treated, he then begins to better his skills in riding. At first the only thought of a rider is to stay in the saddle. Falling off, though, is not a disgrace. It just makes you a little more determined. The main things a rider works for is to become skillful in balance and co-ordination. These are very important in looking like and being a good rider.

## SCHOOLMARMS LOOK BACK

### FUTURE TEACHERS OF AMERICA

Peek into room 126 on a Thursday afternoon and you can see the penalty room transformed. No longer do these four walls house dejected high school cherubs. Instead, conversations such as these are taking place:

"Do you have the material for the discussion?" asks Vice-President and Program Chairman Sally Ames.

And Phyllis Warner answers worriedly, "Yes, where are Joyce Southard and Arlene Hoffman? They're supposed to help me."

"Oh," pipe up Judy Stead and Lois Connett, "we saw them watching DeViltries rehearsal ten minutes ago."

"Can I count on you for a report today?" asks President Barbara Drake of Treasurer Meredyth Manns.

"I suppose so," is the answer, "but it's really no different from last month."

"What did I do with my minutes?" wails Secretary Shirley Hart. "I know I had them a minute ago."

"Here they are," smiles cheerful Beverly Sandusky. "I must have dropped them in the waste basket while I was tidying up."

An interruption occurs while Marilyn Olson arrives

followed by our Historian and Inter-Club Council Representative, Joyce and Arlene, who wear guilty looks.

A last minute rush on the part of Nancy Cornwall to tell sponsors, Miss Mildred Pasch and Mrs. Walter Manns, that we are ready to begin, and so another meeting of the Future Teachers of America gets underway.

Seriously though, the F.T.A. is an organization designed to interest girls and boys (although this year we lack male support) in the teaching profession. To carry this theme along we invited several speakers to explain their experiences in teaching. As a group project, we undertook to prepare amusing scrapbooks for the Crippled Children's Convalescent Home. At every business meeting one of our members gave reports on the contents of the National Education Association Journal.

But the highlight of the year came when we visited the Edna B. Rowe Day School. Here we got to see children at work and play and the various ways in which to handle them.

All in all, the school year 1949-1950 was profitable in every respect to the Future Teachers of America.

## CHESS CLUB

1950 marked a banner year for the DeVilbiss Chess Club.

Every Friday afternoon the club would meet in room 118, the room of our adviser, Mr. Voss. Walter Milbourne was elected President at the beginning of the year to guide the club's activities. Dick Zimmerman and Jim Caldwell were elected Secretary and Inter-Club Council Representative respectively.

The club began the year by having a tournament to determine the five boys who would form the chess team that would represent DeVilbiss in its matches against the teams of other schools. Although the tournament set up temporary merit ratings of each member, the club continued to have many exciting battles as each member endeavored to raise his position on the Chess Club Ladder. This Ladder is a board listing the ratings of the individual members.

Some of our games were recorded in order that each member might see his mistakes and profit by that experience by never making them again. Since some of the members did not know how to record chess games, one of the projects of the club was to teach them.

Every other week one member would introduce a new

chess opening and explain its principles to the other members. This helped give each member a more varied game. Also much enjoyment was experienced in experimenting with a new attack.

In order that more students might be able to understand and enjoy the game of chess, the club took upon itself the task of encouraging other students who knew nothing about chess to join the club and learn the game. These new members were guided by various old members until they had attained the art of playing. However this job was usually shifted over to Mr. Voss who, fortunately for us, accepted it.

In January our meeting on Friday the 13th provided a big surprise for our members. One of our club members, Jim Grubs, had his birthday party at the club meeting and provided us with ice cream and cupcakes. This went a long way in dispelling any superstitions about Friday the 13th being unlucky.

This year greater progress has been made than ever before in the history of the club. The club members have not only learned more about the art of playing but also have learned to know their fellow members and to make many enjoyable companionships.

# LINGERING THOUGHTS

## THALIAN LITERARY SOCIETY

Under the helpful guidance of Miss Mildred Johnston, our faculty adviser, and Mrs. Olen, our parent adviser, the Thalian Literary Society has completed a very successful year filled with fun and numerous activities.

Our club meetings have always proved to be very educational and beneficial and of great enjoyment to everyone.

Our Chaplain, Carol Burkholder, begins each of our meetings with the Lord's Prayer. After Nancy Brechenser, the very capable President, has finally quieted the members, our Secretary, Joan Olen, reads the minutes of the last meeting. Nancy Henry, our hard-working Treasurer, tried desperately to collect the dues our treasury so badly needs. Carolyn Churchill, Vice-President, then takes charge of the meeting to announce the committee for the coming meeting. Sally Hull, our Inter-Club Council Representative, gives a brief summary of what took place at the preceding I.C.C. meeting.

This year the Thalias decided that they would like to look into the world of poetry. As a result at each meeting four of the members planned and gave reports on an author and read excerpts from his poetry.

The activities of the Thalias throughout the year were numerous. At Christmas a party was given at which there was a gift exchange. This year we were very proud to have won the second prize in the Christmas decorations contest sponsored by the Inter-Club Council. The traditional Mother's Day Tea was given in the spring under the chairmanship of Corinne Kriege, our Social Chairman. And finally came the slumber party given by the juniors for the graduating seniors to complete another year of activities.

Thus, another "packed full" year has ended for the Thalias in which each member has taken an active part and has felt the benefits of belonging to this worthwhile school organization.

## DEBS DREAM OF PAST

### SUB-DEBS

When two girls get together for an evening it is a lot of fun. But when thirty-six assemble under the same roof it is a circus—a Sub-Deb Circus.

The Ringmaster is Pat Calef who with the aid of Diane Brown, Assistant Ringmaster, presides over all performances. Virginia Dowdney as Circus Secretary records our activities while Barker Nancy Miller attempts to entice the money out of the members for the show. Phyllis Selter represents the Sub-Deb Circus at Inter-Club Council meetings. Meanwhile, Lion-Tamers Jane Bainbridge and Shirley Emery attempt to maintain order during the performances. Dolores Kosuth adds a serious note as Chaplain by opening all our meetings with a prayer. Advertising Manager Sally Lindsey has the king-sized task of heading the committee for notifying the members of the events of the big-top.

Much to the delight of the seniors the very first undertaking of the year was the induction of the juniors. After the juniors had been inducted and had received their corsages, they admitted that they had had just as much fun as the seniors.

The Christmas holidays offered two big projects for the Sub-Debs. Under the capable leadership of Phyllis Fausnaugh and Nancy Cox the club decorated the small cafeteria. Under the direction of Nancy Henry, the members brought Yuletide cheer to the patients in Toledo Hospital by singing Christmas carols.

About this time we decided that we had better bolster our treasury. Without further hesitation Shirley Emery and Elaine Haney, having been appointed chairmen, set about making arrangements for a rummage sale in March. This proved to be one of our most successful accomplishments.

After that the girls began to look forward to the Mothers' Tea with Florence Herman and Tamra Johns in charge, and to the annual Senior Banquet planned by Carolyn Darah and Barbara McLain.

We feel that this has been a particularly successful and eventful year for us for every girl co-operated and showed an interest in the club and we were fortunate enough to have Miss Marie Lerche and Mrs. Oran D. Calef as our advisers.

## MEMBERS RECALL MEETINGS

### ZETALETHEAN LITERARY SOCIETY

"It's Thursday again! Don't forget Zet meeting in the library after school. Ruth has another of her famous programs planned." These words spoken by President Anita Etters are familiar to every Zet member, old or new. The Ruth spoken about is, of course, Ruth Ramsey, Vice-President and Program Chairman.

But sh-h-h-h! Come with me and let us look in on a typical Zet meeting. We can stand over here near the door . . . no one will notice us.

Look! There is Barbara Slater, the hard working Recording Secretary, trying to take notes and silently vowing that she will not forget the minutes again as she has done today. Harriet Rohlfing, Corresponding Secretary, only smiles a superior smile at Barbara. She doesn't know her main work is yet to come. But when it does . . .

Who is that harrassed girl trying to add and subtract correctly over in that corner? It couldn't be Judy Moore, our faithful Treasurer, attempting to balance the books—the one impossible thing?

But the meeting has been called to order and quiet reigns. Judy Price, Inter-Club Council Representative, suggests that the next meeting be a penny supper. The

idea is readily agreed upon because the members not only have an enjoyable time but also they know that it means money for the treasury. Of course the idea that everyone in this club loves to eat has nothing to do with it.

Over there sit Nancy Landin, Ann Gordon and Dorothy Gunlite, oblivious to everything, making plans for the Mother's Tea, an annual event of Zets. They are reminded by the co-operative advisers, Miss Warner and Miss Schueren, that the meeting has begun and silence is finally restored again.

The new members, Sally Ames, Carolyn Wilcoxon, Edwina Pappas, Charlene Greene, Phyllis Marenburg, Sally Brigham, Barbara Thomas, and Carolyn Combs, are still whispering over in the corner about the banquet that was given for them when they were initiated into the club in November.

The program is presented, and then as Anita adjourns the meeting she suggests that the girls walk, not run to the refreshment table. In the traditional way she is ignored.

Well, that is Zet meeting. Glad you came?

# IN RETROSPECT

## PERICLEAN LITERARY SOCIETY

"Just what do Peries do at their meeting?" The puzzled junior who asked this question one day last September was invited to take an imaginary journey to a meeting of the Periclean Literary Society to see just what goes on at one of our get-togethers.

We start out on a Thursday evening because this is the time set aside every other week for our meetings. In these few short hours we try to accomplish all that is to be done.

As we enter the home of one of the members where the meeting is being held, we see our two advisers, Miss Elizabeth Johnson and Mrs. Jeanette Brand. We all know they have helped us very much in our work and we owe our thanks to them for their kind support. There is Dolores Kosuth, our President, trying to call the meeting to order. Of course, she has Diane Brown who is Vice-President for moral support. Over there is our Treasurer, Phyllis Rupp, attempting to collect dues from us. And over in the corner is Nancy Dow madly scribbling notes.

Our Inter-Club Council Representative, Phyllis Haller, tells us that we must begin thinking about Christmas decorations. Letty Laufer is elected chairman of that committee and Diane Brown, Delores Kosuth and Phyllis Rupp were employed as her helpers.

Our Alumnae Tea was held at the home of Nancy Dow. We were very glad to have the chance to get together with our old friends.

But there is Phyllis Rupp still moaning because the treasury is low. As a result we had a discussion on money making projects and decided upon a bake sale. Because of its success we climbed back into the "black".

"But what do you do at your meetings?" There's that junior again. Well, we do a lot of things. But as you have seen the main program of our meetings go like this. Old and new business is discussed and our literary reports are then given. The girls are assigned to read books and give reports alphabetically. We have given many interesting programs and have gained much from group discussion.

## TRICKS AND TRUMPS

### BRIDGE CLUB

Observing its fourth year as a chartered and active club of DeVilbiss, the Bridge Club continues to teach many eager students the art of trump and no-trump.

This year the slate of officers consisted of: President, Joe Sites; Secretary, Delores Mechling; Treasurer, Dick Shambaugh; Inter-Club Council Representative, Nancy Keller; and Red Cross Representative, Barbara Roberts. The two faculty advisers were Miss Mildred Schmidt and Miss Eva Samsen. Mrs. Shambaugh ably took charge of all home programs.

The members of the club decided that they would use room 109 every second and fourth Wednesday of the month after school to discuss or put to use any clever finesse which they had either learned or read about before coming to the meeting. Outside of our regular meetings many members formed their own tables of bridge for a little extra enjoyment. By the time June arrives we hope most of the members will be capable of playing a good game of bridge.

The first project the club undertook this year was the filling of a Red Cross box for the school. Our next project was our contribution to the school's Christmas decorations. We were assigned to the archway by room 222. After we had completed decorating, the members decided that it was tops regardless whether we won the Little Brown Jug or not.

Throughout the course of the year numerous parties were held so the members of the club would not tire of concentrating on mastering the complicated game of bridge. These social functions were usually weiner roasts, but a few members always seemed to end playing a hand of cards.

Looking back upon the past year, the officers, advisers, and members have only one wish: We hope the members in later years will have as much fun and enjoyment as we have had this past year.

## THE MELODY LINGERS ON SHARPS AND FLATS

Once again Sharps and Flats proved itself to be one of the more active clubs in the school. Growth has come with progress and the roster of the club now reaches the forty-mark. The purpose of our club is to promote interest and further education and ability in the field of music. We have tried to do this this year while keeping a social and an educational balance.

At least one musical activity each month is attended by all members. In accordance with this policy, we have attended the concerts of Roberts Goldsand, noted pianist, at the Art Museum auditorium; Wolfgang Stresemann, conducting our own Toledo Orchestra in the Peristyle; and several others. A musical program highlights each meeting and since eighty per cent of our membership has some musical talent, the programs are presented by the individual members. We enjoyed hearing at our January meeting Miss Athey, director of the Music Appreciation

Classes at the Art Museum, speak on American music and composers.

We have combined our interests socially, also. During the Christmas vacation we caroled at the Old Ladies' Home, Toledo Hospital and various homes in the De-Vilbiss district. An exclamation point was placed on this night as we enjoyed our annual Christmas party, this year in the home of our parent adviser, Mrs. Holly. Sharps and Flats celebrated the arrival of snow with a toboggan party and roast in January. In April, we held our second annual Parents' Tea in the Toledo Art Museum.

Our capable officers this year were: Ronald Kaminsky, President; Tamra Johns, Vice-President; Joyce Southard, Secretary; Judy Hicks, Treasurer; and Marilyn Britton, Inter-Club Council Representative. Our advisers, Miss Elaine Hirth and Mr. Russell Brown, have guided us through our many activities to complete another good year.

## MEMBERS MUSE ON GOOD TIMES

### SENIOR SORELLES

They've done it again! The Senior Sorelles have completed another year filled with activities ranging everywhere from charity projects to slumberless slumber parties, and from money-making programs to Milton Berle on TV.

The fact that we have very capable officers is one of the reasons for our fun and for the success of our various projects. Pat Smith, President, and Barbara Link, Vice-President, have often been seen trying to preserve order at our "business" meetings while Sally Hull sat with the minutes of the last meeting clutched in her hand. And then there was always Jane Tanner attempting to obtain silence. Barbara White was often observed returning to her sixth class after attending the Inter-Club Council meetings for us.

A party at Easter time for the crippled children at the Opportunity Home came under the heading of one of our charity projects. We did a repeat on our slumber party of last year and found it just as much fun. Although it seems impossible, we all got less sleep than we did at the previous party.

To Miss Ruth Lukens and Mrs. Vorys Smith, the advisers of the club, we owe our sincere thanks. It was through their helpful guidance that the projects and parties held during the year were successful.

During the two years that these twenty-five girls have met as Sorelles a feeling of true friendship has been developed. Each girl will miss the familiar and friendly meetings and will remember them as an important part of her high school life.

# ENDURING COMPANIONSHIPS

## JUNIOR SORELLES

Our first meeting of the year was held in the home of Dolores Mechling where we became members of the Junior Sorelles group of 1949-1950. The main event of the evening was electing our officers for the coming year. Officers of the Senior Sorelles were present to enlighten us on the background and procedure of the club. Barbara Toth was chosen to lead the group as President, and to assist her Joanne Wernert was elected Vice-President. To jot down the minutes of our Tuesday meetings we elected Sara Strickler as Secretary. And it is Pat Beltz who is forever begging us for money as Treasurer. Nancy Campbell was elected to represent us at the Inter-Club Council meetings; and Letty Laufer, as Chaplain, opens our meetings with the Lord's Prayer. Natalie Hessler, tries her best to keep order during our meetings as Sergeant-at-Arms.

We were fortunate in being able to have as our advisers, Mrs. Margaret King and Mrs. W. H. Nichols, who

proved most co-operative and helpful throughout the year.

The program for the year included a bake sale which was the first money-making project for the year. This proved most successful under the direction of Donna Nichols and Pat Beltz. We also were proud of ourselves for filling a Red Cross box.

We all enjoyed working on our Christmas decorations for the stairway and were proud of the fact we came in fourth place with our sisters, the Senior Sorelles. Gloria Mersereau and Sue Straight were in charge of our decorations.

A Valentine party for an orphanage was enjoyed by the members as much as it was by the children. Nancy Keller and Dolores Mechling acted as chairmen for this activity.

We climaxed our year by entertaining the Senior Sorelles with a farewell party.

ROW ONE—Mitzie Sass, Natalie Hessler, Jane Ettenhoffer, Sue Sommerfield, Nancy Keller, Phyllis Haller, Sara Strickler. # THOSE YOU WON'T FORGET

## VARSITY D CLUB

The Varsity D Club is in its second year of organization after a lapse of several years. The club's advisers are Mr. Dave Hardy and Mr. Hilton Murphy; and the officers for this year are: President, Joe Bassett; Vice-President, Jack Reed; Secretary, Bert Warrick; and Treasurer, John Hunt.

In the way of social events for the past year the club sponsored several dances after the basketball games, and a private dance was given for the members and their dates.

Many of our members have distinguished themselves in various phases of athletics. Don Blair is considered one of the best tennis players in Ohio being second in the state finals in the doubles event last year. Max Pirner was elected co-captain of this year's baseball team, and this team will no doubt make a fine showing under this capable leadership.

Joe Bassett, another member, took second place in the state in wrestling. Paul Russell and John Hunt are co-captains of this year's track team and are expected to do their part in regaining the top spot in Northwestern Ohio in track this year for DeVilbiss.

In basketball Jim Holliger along with Jim Haggerty did his share to make our DeVilbiss team a great one. Ronald Harris represents our club on the tennis team as captain of this group.

Through this organization the athletes of this school have been brought together by common interests and have acquired friendships that will endure throughout their lives.

## WORLD SITUATIONS REVIEWED

### UNITED WORLD FEDERALISTS

The year 1949-50 brought into existence a new organization in DeVilbiss—a student chapter of the United World Federalists.

The Student Federalists operate on the belief that "Peace is not merely the absence of war, but the presence of justice, of law, of order—in short, of government and the institutions of government; that world peace can be created and maintained only under a world federal government, universal and strong enough to prevent armed conflict between nations, and having direct jurisdiction over the individuals in those matters within its authority."—as quoted from the "Beliefs, Purposes and Policies" of the U.W.F.

Our chapter started on October 31, 1949, when the guest speaker at the school assembly was Dr. John Kemeny, a brilliant young atomic physicist who is now teaching at Princeton University. Plans for the year's agenda included the regular monthly committee meetings

and the general membership meetings, debates held at these meetings and in various history classes, and numerous other social and informational projects. The members attended various assemblies of the adult and student chapters in the city. At one of these Mr. Alan Cranston, President of the National United World Federalists, was speaker.

The officers for this year were: Ellen Waldron, Acting Chairman; Letty Laufer, Secretary; and Ann Knudsen, Treasurer. Our faculty advisers are Miss Harriet Kimble and Mr. Morrison Van Cleve.

We, the members and the advisers, feel that a good start has been made by our Student Federalist Chapter. "But a good start is not enough. There must be a sustained action until the day when world government is no longer a dream, as it was a few years ago—no longer a program, as it is today—but a living reality."

## UNFORGETTABLE GAMES

### CANASTA CLUB

Although "canasta" is the Spanish word for basket, its meaning is far from that in the minds of the ninety-seven members who attend Canasta Club meetings the first and third Tuesday of every month. The library is the setting for these meetings which are solely for the purpose of playing Canasta, the new card game that originated in Argentina and took this country by storm.

This newly organized club boasts one of the largest memberships of any club in DeVilbiss. It is capably advised by Miss Mildred Schmidt, Miss Frederica Hanson, and Mr. Hilton Murphy.

George Athanas, President, calls the meetings to order while John Hellweg, Vice-President, tries to keep everyone quiet. Nancy Laspisa, Recording Secretary, then reads her minutes from the last meeting while Marilyn Wilson, Treasurer, is busy collecting dues. Janet Simon as representative for the club attends Inter-Club Council meetings regularly and Jane Bainbridge, Corresponding Secretary, takes care of all the correspondence.

We were given the stairs adjacent to the auditorium at Christmas time to decorate. The decorating committee consisting of Audrey Sutton, Marilyn Wilson, Marion Spring, John Hellweg, Kay Johnson, Janet Simon, Nancy Laspisa, and George Athanas got to work making little Santa Clauses, red and white striped candy canes, red and green lamp posts trimmed with silver, and tree branches covered with sparkling snow. "Santa Claus Lane" was the name of our entry for the Little Brown Jug, a reward given by the Inter-Club Council to the club having the best decorations. To top this all off we had a real live Santa Claus! All our hard work was rewarded by our winning the coveted first prize.

As a project for this year, we would like to have an open house some night at DeVilbiss for everyone who enjoys playing Canasta and anyone who wishes to learn.

We believe that the Canasta Club is off to a grand start as it has accomplished many things this year. We sincerely hope that this, our first year, has set a precedent for the years to come.

## MIRRORS OF THE FUTURE

### FAMILY LIVING CLUB

This club was organized in 1949 by Mrs. Blanche Luther with the help of her students in her Family Living classes. Since the classes were so crowded it was decided that it would be only right for students interested and wishing to participate in such a course to be given an opportunity outside of the classroom.

The purpose of this club is to give the students the basic ideas of "family living" and to broaden their knowledge with respect to handling and adjusting everyday problems.

The advisers of this club are Mrs. Blanche Luther and Mr. Harold Grubs.

Our President, Charlene Greene, was elected at our first meeting and presided over the election of the following officers: Vice-President, Jerry Iagulli; Recording Secretary, Janet Simon; Corresponding Secretary, Pat Crocker; Treasurer, Paul Russell; Inter-Club Council Representative, Don Blair; and Chaplin, Barbara Wilson.

Bi-weekly meetings are held at United Brethren Church. Our meetings are very informal and no matter what may be on the program we always take time for an open and frank discussion prior to the closing of our meetings. At one meeting we may have a guest speaker like Mr. Johnson of Maumee Valley Day School or a movie called "Shy Guy" which deals with the problems of overcoming shyness during adolescence. At another meeting we will have our most helpful "question box." Upon submission to the question box, any problem confronting a member will be freely discussed and solved to the best of the ability of the panel and the members present. In February we were very privileged in having as our guest speaker Judge Paul W. Alexander.

Although this is our first year in existence, we feel that we have been benefited greatly; and we hope that the future members of this club will likewise benefit.

## VARSITY FOOTBALL

Exhibiting speed and weight with fine all round play, the Tigers looked very good in their first showing at the Newsboys' Round Robin Premier. Their opening game, however, proved too much for Coach Hanshue's boys as they lost to a superior River Rouge team. The defeat did little to lower the Bengal's moral, for they snapped back to humble Scott the next week in the first game of the city schedule. Continuing their winning ways, the DeVilbiss team met a strong Central squad, and coming from behind in the second half completely outplayed the Irish to score their second straight league conquest. With this win they also took the city lead.

With two wins to their credit, the DeVilbiss team traveled to Erie, Pennsylvania, but again out-of-city

competition proved too strong as the Tigers were defeated in a hard fought battle.

Coming back to Toledo to defend their hold on the league lead, the Bengals showed championship style in beating Woodward for their third straight league win.

The next game on the schedule was the one which the team and the school had been waiting for since the first game of the season, the Waite game. Played on a wet Page Stadium field, the game proved a real thriller for twice the Tigers came within feet of the Waite goal line, but were unable to cross it. The DeVilbiss team did everything but score as they held Waite deep in its own territory most of the game, completely outscoring the Indians.

Still leaders in the city, the Bengals traveled to Cleveland to play a fine Shaker Heights team, but once again non-league competition took the measure of the Tigers when they lost a close game to the Raiders. DeVilbiss next scored its first victory over out-of-town competition as they downed Euclid, scoring twice in the fourth to ice the game.

Russell's end run ends!

DeVilbiss defends its goal against Central.

Meeting the football team from Cranbrook Academy, the Tigers completely dominated the play piling up a record score and demonstrating their tremendous potential scoring ability. However, playing their last out-of-town opponent, the Tigers were cooled off and were defeated at Newark, the scene of many years coaching by Hanshue.

The annual Thanksgiving Day game with Libbey had particular importance this year for it was to decide the city championship. Played on a field made slippery by snow and sleet, the game proved to be a kicking duel as neither team was able to start an effective offense. Two first quarter Libbey scores, however,

proved the Tigers' undoing as they lost their first city game and with it the city championship.

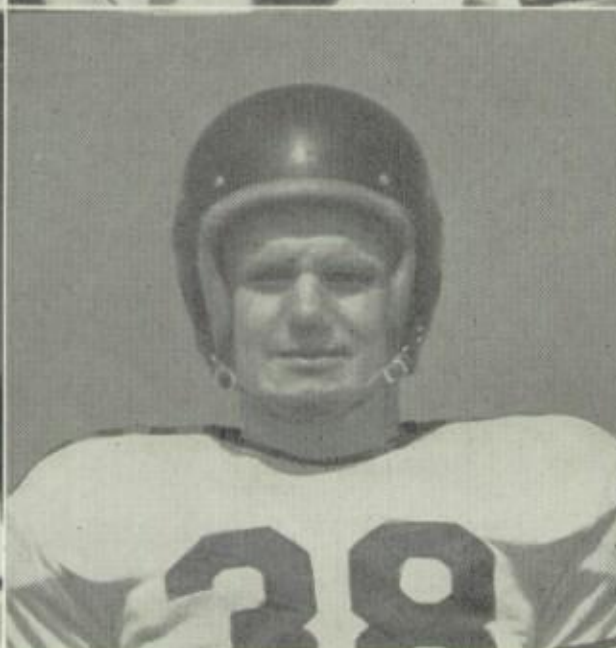

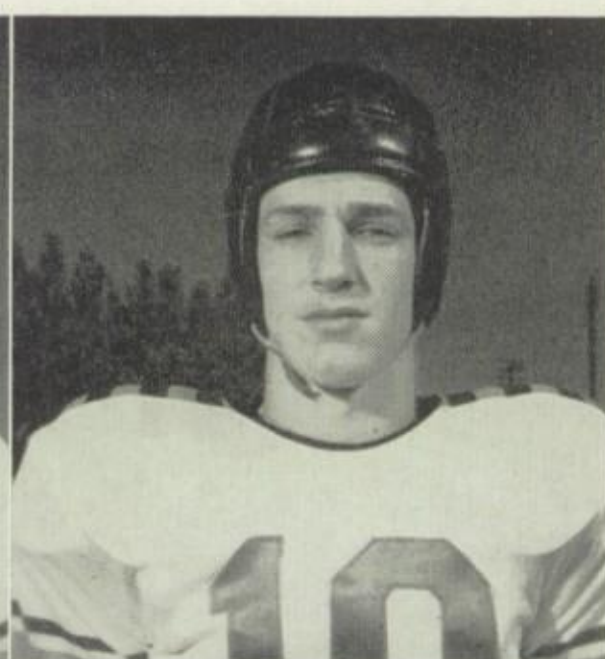

This past season has proved that with hard work by coaches and boys alike DeVilbiss can produce a team respected by all foes. With teamwork and cooperation the Tigers have completed one of their most successful seasons in recent years.

DeVilbiss can truly look forward to better things on the gridiron in future years.

Coach Rettig culminated several years of hard, but highly productive effort this year by winning the city basketball championship. This feat was especially important since it was the first time in DeVilbiss history that the championship has rested here, although we tried for the honor once before.

Combining fine defensive play and smooth offense and using the team's great height to good advantage, Rettig and the Tigers early in the season proved themselves worthy of any opposition as they downed a strong alumni quintet, a highly regarded Whitmer five and their first league opponent, Libbey, in quick succession.

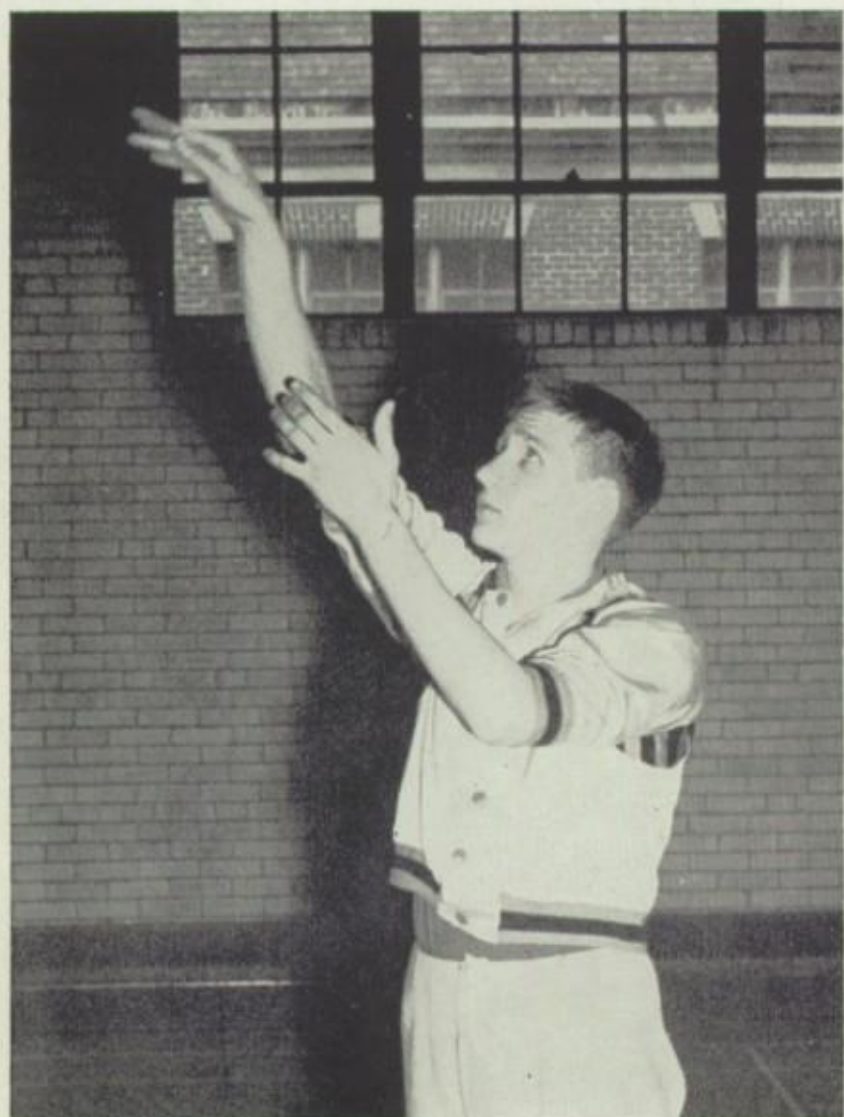

The Bengals next met their arch-rival, the always strong Irish of Central, and in a thrilling game were defeated. Not to be counted out, however, the Tigers bounced back with the determination of a real champion and won their next twelve games. Included were such opponents

as Ottawa Hills, with a long string of wins; and Central, the only team to defeat the Tigers during their regular schedule.

The Tigers clinched the title by defeating their strong city rivals, Woodward, and then ended a most successful season by defeating Waite, the old Tiger jinx. Thus the Tigers had not only the best city record, but also one of the best records in the state, placing in the top ten teams at the last Associated Press poll.

The Tigers gained their individual laurels as well as team honors. John Pazdzoir ended the season as the city player with the highest per-game scoring average and was given honorable mention in the state as well as being picked for the first string all-city-team. Bert Spice was chosen for the second string all-city-team and Jim Burkett was given all-city honorable mention.

John Pazdzoir

Seated—Mr. Robert Rettig. Standing—John Syx, Jim Burkett, Jim Holliger, Paul Russell, Glen Brooks.

## GRADUATING

**John Syx**—One of our hard working and little recognized basketball managers. John has done a fine job this year. His constant helpfulness eliminated many of the coach's worries and he is to be commended.

**Jim Burkett**—Jim's indomitable spirit kept the team always on the go, even when the score or the breaks were against us. Jim was a fine defensive man and always a good team player.

**Jim Holliger**—"Bones" Holliger used his height to good advantage in controlling the opponents' backboard and in scoring often on tip-ins. Jim also set up many other scoring plays when working in the pivot position.

**Paul Russell**—Paul proved a great asset to the team this year with his fine jumping often giving us control of the backboard against the opposition.

**Glen Brooks**—Glen proved that height is not everything for although he was the shortest man on the team, his fighting spirit was invaluable for their morale.

Jim Haggerty, Burton Spice, Bob Agen, John Pazdzior, Bob Winzenried.

## PLAYERS

**Jim Haggerty**—Jim Haggerty's aggressive and hard play often pulled DeVilbiss out of a scoring slump and gave the rest of the team an example to go by.

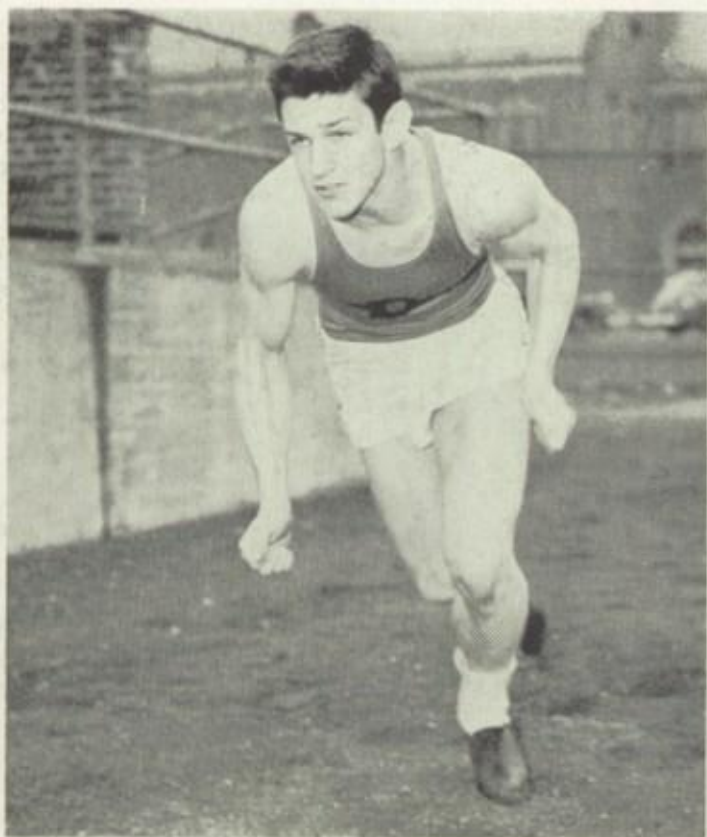

**Burt Spice**—One of the tall boys on Rettig's squad, Burt helped DeVilbiss control the backboard and was a very effective scorer with his deadly one-hand push shots.

**Bob Agen**—The tallest boy on the team, Bob scored many points with tip-ins and rebound shots. Improving as the season progressed, he shared starting position with Holliger.

**John Pazdzior**—"Yosh" was one of the best basketball players DeVilbiss has ever seen. His great pivot play and fine shooting gave DeVilbiss many points each game and gave "Yosh" the high scoring average of 18.5.

**Bob Winzenried**—Bob was the boy you saw before each game taking care of the equipment, chasing loose balls, and working for the benefit of the team.

## TRACK

Losing many seniors by graduation this year's track team nevertheless proved their superiority on the track. Off to a fast start in the season the Tiger thinclads overwhelmed Swanton and Central by favorable scores.

Running against a surprisingly strong Waite squad, the Bengals fought for victory down to the last event and finally proved victorious. Defending their city title against a well balanced Scott team, the Tigers' inexperience proved their undoing as they lost their first dual track meet in three years.

Meeting the always powerful Libbey tracksters at Page Stadium the Tigers once again were defeated after a hard, thrilling meet in which the result was not determined until late in the afternoon.

The annual Night Relays with many schools from Ohio and Michigan participating, was the highlight of the '49 track season. The squad from Libbey took first place with DeVilbiss running second.

We may look forward to a very successful track season in 1950, for this year's team is composed primarily of underclassmen. In spite of their losses the Tigers proved true sportsmen and gentlemen both on and off the track.

# B A S E B A L L

Although getting off to a shaky start with two early league losses, the Tigers got into their stride and their batting eyes in time. They proved their mettle on the diamond as they later played in the district and the state tourneys, reaching the semi-finals in the state before bowing out.

Central and Macomber were the early season vanquishers of our Tigers, but both losses were revenged in later play, the Tigers beating both teams by sizeable margins. Defeating Woodward in the district tournament gave the Bengals the district title and the right to compete in the state tourney at Columbus.

After several more regular schedule wins the Tigers travelled south to Columbus to compete for the coveted state title against the best teams from the other districts. Reaching the semi-final by way of wins over Linden McKinley and Macomber, the Tigers were defeated in a close, hard fought game by Lakewood.

This year's baseball team has truly upheld the fine tradition of sportsmanship and fair play set by previous DeVilbiss teams. Having lost only four seniors by graduation, the team is looking forward to a fine season next year.

## MASS MEETINGS KINDLE THE SPARK NECESSARY FOR VICTORY

As the years roll on you will remember the mass meetings that were a part of the football season. It took cooperation from the entire student body to plan and produce all of these various rallies.

One will stand out in our high school memories—The Libbey-DeVilbiss Turkey Day Mass Meeting. Libbey has always been an arch rival of the Bengals of DeVilbiss, and this year was no exception. There was one thought in the minds of all the DeVilbiss Tads and Taddies. "Would DeVilbiss beat Libbey and win the city championship on Thanksgiving Day?" This was the big question and everything was being done to answer that with an emphatic "yes." The Student Council decided that all the mothers of the football team should be honored at the mass meeting and so the members of the

Assemblies Commission kept the telephone wires "hot" until all the mothers had been invited and accepted.

Finally the big day arrived and the student body crowded into the auditorium united for that one goal of defeating Libbey! School work had been secondary all week and spirit was abundant. The building fairly shook with cheers when the curtains parted and a spot-light shone on the huge banner bearing the words, "Beat Libbey!" in big yellow and blue letters. All the familiar songs and cheers echoed throughout the school that afternoon as the mighty DeVilbiss Tiger and the despised Libbey Cowboy pranced around the stage.

You will remember touchdowns and baskets, to be sure, but games will be forgotten long before DeVilbiss team spirit fades from your mind.

## GIRLS' ATHLETICS

The old saying "Variety is the spice of life" can very well be applied to the Girls' Physical Education program here at DeVilbiss. Every quarter of the year offers one of the various major or minor sports in the curriculum. Freshmen, Sophomore and Junior classes enjoy hockey or hit-pin baseball in the fall, while square, tap and modern dancing fill in the winter months. With the arrival of spring come the more important sports such as basketball, baseball and volleyball.

The girls eagerly look forward to their senior year in gym. These seniors find a great variety of sports available, some of which are scheduled away from school in the afternoons and evenings. Included in this program are such sports as fencing, archery and badminton. On Wednesday afternoons twenty teams bowl in the senior league over at the Colony. The girls, whose averages range anywhere from sixty to one hundred fifty, seem to enjoy this sport the most for all the alleys have been

filled to capacity each semester. Bumps and jolts are just part of the memories of the Howard Stables in Lambertville, where weekly the girls learned some of the tricks of good riding. Every Thursday evening, second semester, brought out a very enthusiastic group of swimmers to the Y.W.C.A.

Perhaps the most vital part of the Girls' Physical Education program in the past and at the present time is the Girls' Athletic Society, better known as the G.A.S. This strongly organized group provides the girls with a varied program of sports ranging from ring-hockey in fall to baseball in the spring. The inter-class basketball tournaments stirred up an unusual amount of interest and enthusiasm this year as the Sophomores completely surprised everybody by coming through and defeating both Junior and Senior teams to become the new basketball champions. The fine spirit of good sportsmanship shown in this tournament is certainly a credit to the officers and advisers of the G.A.S.

Another important branch of the athletic program is the Leaders Club. The girls who qualify for membership in this club must pass tests in the various sports which they are going to referee. These leaders keep score, referee, and generally run all contests held after school hours; during school they take attendance and check in the towel room. The Leaders Club is open to girls in all four classes who are able to pass the tests.

All the girls participating in Intramurals receive points which are used towards the awarding of the

DeVilbiss "D's", numerals, and the gold or silver emblems. Bonus points are given for attendance and for leading. These are presented at the end of the year at the annual G.A.S. Banquet in recognition for a girl's time and service rendered throughout the year.

The girls are very proud of their adequate sports curriculum where they have made many lasting friendships, and where they have come to realize the true meaning of sportsmanship and cooperation with other people.

MR. IRVING PROSS

DeVilbiss Faculty 1931 — 1949

Since DeVilbiss High School opened in 1931, Mr. Pross has been instructing its students in Woodshop, Cabinet Making, and Architectural Drawing. Before he came to DeVilbiss, Mr. Pross taught at McKinley Junior High School.

Mr. Pross, an excellent cabinet maker himself, made many of the articles of furniture now found around the school; he also provided the opportunity for his students to make furniture for the school as well as furniture to sell to outsiders.

Students who have participated in any of the school athletics have seen a great deal of Mr. Pross both in school and out on the field, for he has served for several years on the Athletics' Commission. As an adviser for the Engineering Club, he planned and arranged interesting field trips for that group.

May we wish Mr. Pross an abundant and a happy life on his farm in Wisconsin.

MISS DAISY VANNOORDEN

DeVilbiss Faculty 1931 — 1949

Miss VanNoorden has been a Toledoan all her life. In 1931, she came to DeVilbiss from Libbey High School. Since then, she has been teaching our young people to be good business men and women.

In addition to serving us as a teacher, Miss VanNoorden has been the adviser to the DeVilbiss chapter of the American Junior Red Cross. Not only has she made a great success of this work in DeVilbiss, but she has also given DeVilbiss national recognition for its fine efforts in filling gift boxes, making gifts for hospitals, giving money to the National Children's Fund, and all the many other very worth while Red Cross sponsored projects. Every year she has solicited the Faculty contributions.

Miss VanNoorden has also been a very ardent worker in the various teachers' organizations throughout the city.

The students of DeVilbiss will ever remember and appreciate Miss VanNoorden's years of service and we wish her much happiness and success in the years to come.

## *Glorious Past . . . Promising Future . . .*

Because tradition and progress live together in Toledo, the 1950 graduating class of DeVilbiss High School has reason to look backward with pride and forward with eagerness and hope.

As American cities go, Toledo has a truly significant history. Dating as it does from pioneer times, the city is full of landmarks which revive old memories and remind the present generation of a glorious past.

But there are many modern signs, too, in this bustling Ohio community and we feel we can say, with pardonable pride, that the Owens-Illinois Glass Company is one of them.

Owens-Illinois is equally proud of the fact that Toledo citizens continue to take an active part, as well as a personal interest in this enterprise, which has helped make Toledo the Glass Center of the World.

Many alumni of DeVilbiss High School are included in our personnel and are doing much to help us solve our everyday problems.

It is given to only a few to use  
their life span to benefit all genera-

the gift of Thomas Alva Edison, pio-  
neer in applying electricity to better  
the lot of mankind.

Only a holder of the original Edi-

son" as a part of its corporate title.  
It is the mark of a pioneer. The Toledo Edison Co.,
